**GRANITE CITY SEAMAN** Norman J. Rost Jr. prepares to pull the wheel chocks from beneath a huge H-3 helicopter at the U. S. Naval Station Cubi Point in the Republic of the Philippines. He is as-

signed to Helicopter Squadron 7, where he assists in providing U. S. ships in the South China Sea with a ready supply of smoothly-running helicopters. He is the son of Mr. and Mrs. Norman J. Rost, 4265 Marigold drive.

## City Resolves Sick Leave Issue; Program Unchanged

The controversial subject of sick leave pay for Granite City employees — resulting in the threat of an ordinance that would have eliminated the first three days of sick leave pay — was smoothed out in an orderly special meeting of the city council Monday night.

The problem was resolved by a decision of the council to leave the present sick leave system unchanged for another four months, under supervision of city department heads, with

another review of sick leave costs and the number of lost work days scheduled at the end of the year.

Council members took the action after business representatives of unions to which city employees belong, and representatives of city hall workers, told ten aldermen and Mayor Donald Partridge who attended the special council session that they did not believe that all employees should be penalized for the abuses of sick leave regulations committed by only a few persons.

**Costs Mounting**  
Aldermen protested that sick leave costs have been mounting steadily and that there have been cases of abuse of the sick leave program. Sick leave payments during August amounted to nearly \$5000, according to Finance Committee Chairman R. E. Robertson.

Monday night's meeting was called to consider suggestions that an ordinance be adopted to eliminate sick leave pay for the first three days of illness.

## 14 City Employees Plan Strike Tomorrow

Fourteen employees of the city of Granite City plan to go on strike tomorrow in support of demands for a pay increase. They are members of AFL-CIO Local 98 of the Building Service Employees International Union who announced plans to picket the city hall.

The union claims it was bypassed by the city council in general \$30 monthly pay increases last spring, and that its contract with the city expired last April.

The employees, including 12 women and two men, are on the staffs of the city clerk, city treasurer, inspection office and the sewage treatment plant and secretaries of Mayor Partridge and Police Chief Ronald Veizer.

## ..BIRTHS..

Mr. and Mrs. John Hoskins, 2133 Ohio avenue, Sept. 2, John Lee Jr., seven pounds, two ounces.

## Navy Helicopters In Vital Supply, Rescue Missions

It had been a quiet day, until a thundering clatter of rotors sounded to lift the hesitant "bird" into the sky. Sensitive lungs to either side interrupted her otherwise suspended motion 25 feet above the ground. Then she winged skyward for further tests of her vital organs.

She hovered motionless for a few moments and then dipped to the left and right, lunged forward and backward and sped ahead.

If this newly-tested fledgling was afflicted with some sort of malfunction — one that might make her crash — the men of Helicopter Squadron 7 Detachment Cubi would be the first to know about it. Among them is Seaman Norman J. Rost Jr., whose parents live at 4265 Marigold drive, Granite City.

The detachment, located at Cubi Point Naval Air Station, Republic of the Philippines, is a tight-knit group of men whose mission is to provide

## Strikes Close Two GC Firms

**Walkouts at Lipsett Steel, Edison Tool Firm Cause Shutdowns**

Two Granite City firms were shut down today by strikes growing out of disputes over new contracts.

The walkouts at the two firms — Lipsett Steel Products Inc., 2520 East 23rd street, and Edison Tool & Die Co., 21st street and Edison avenue — idled approximately 95 workers at both places.

Working agreements for employees at both plants expired at midnight Monday. Lipsett Company employees are mem-

## Campaign Steps up In Race For Senate

**Rallies Scheduled for Senator Ralph Smith; Stevenson on Program**

Campaign activity in the Nov. 3 general election picked up sharply in the Quad-City area today as plans got underway for a series of rallies in behalf of U. S. Sen. Ralph Smith (R-Alton) and Democratic announced plans for a rally in behalf of the entire Democratic ticket on Labor Day, Monday.

Senator Smith is to make his first campaign appearance in Granite City next Wednesday when he is scheduled to appear at the Bellemore and Namooki Village Shopping Centers during a one-hour stopover in an itinerary of visits throughout the Madison and St. Clair county area.

The senator is to appear at the shopping centers at 2:30 p.m. and is to remain there about an hour to greet his supporters. There will be no speaking.

Smith's Democratic opponent, Adlai Stevenson III will make his first appearance in the campaign in this area when he heads the full ticket of Democratic candidates.

The functions currently reported to a chancellor will continue to do so.

The council members announced plans in cooperation with the city to review these interim assignments in keeping with reorganization procedures. They gave first priority to reassignment of those functions reporting to Chairman Stephens.

(Continued on Page 6, Col. 8.)

## Administrative Council Assumes Direction of SIU

The Southern Illinois University Administrative Council came into being at midnight Monday, replacing President Delyte W. Morris as the university's chief administrative authority.

Its first administrative memorandum to faculty and staff, clarifying lines of communication, was in the Tuesday morning campus mail.

President Morris, as he requested, became president emeritus Sept. 1. He now is in Montreal, Canada, on a mission for the SIU board of trustees.

**Direct Access to Board**

The Administrative Council is composed of Clarence Stephens, chairman, Chancellors John Rendleman and Robert Laver, System Vice-Presidents Ralph Ruffner and I. P. Brackett, and James Brown, chief of staff to the SIU board of trustees. Each member has direct access to the board of trustees.

The memorandum spelled out lines of authority.

Those university functions formerly reporting directly to the president will for the time being report to Council Chairman Clarence Stephens. The functions formerly reporting to the vice-president for area and international services will report to System Vice President Ralph Ruffner at the Southwestern campus.

Those functions formerly reporting to the president through his special assistant, James Brown, will report to System Vice President I. P. Brackett at the Carbondale campus.

The council members announced plans in cooperation with the city to review these interim assignments in keeping with reorganization procedures. They gave first priority to reassignment of those functions reporting to Chairman Stephens.

## Groundbreaking For Swift Plant Scheduled Friday

Groundbreaking ceremonies for Swift & Co.'s new adhesive plant are scheduled at 4 p.m. Friday at Stephen Morris in

advisory group and representatives of local tavern owners in an effort to resolve several controversial issues involving operations of Madison taverns.

The three committees, appointed earlier this month by Mayor Sasyk, are charged with investigating and making recommendations on closing hours, conduct of patrons in Madison taverns, license fees, the number of licenses to be issued, violations of ordinances and other problems.

**To Meet With Police**

Nothing but the outcome of the committee's recommendations and subsequent action by the aldermen could affect the livelihood of several Madison residents, Krakowicz sought

## Vote Dec. 15 On New State Constitution

**Madison Adopts \$445,104 Tax Levy**

**Total Up \$95,807 in Year as Salaries, Costs Show Increase**

The Madison city council adopted a tax levy totaling \$445,104, an increase of \$95,807 over that of last year, for the 1970-71 fiscal year beginning last May 1 at a regular meeting Tuesday night.

Several reasons for the increase are reflected in the city's annual budget totaling \$782,137 and a special tax levy of \$20,000 for street department purposes.

Included are \$50 per month salary raises and adjustments for city personnel, and remodeling and new furniture for the mayor's office at \$12,500, while the city's reserve funds have dwindled.

The levy for general corporate purposes is \$223,929, up \$95,257. The only other increase was the tax levy for the public library of \$16,655, up \$550.

**Other Tax Levies**

Other tax levies which remain the same as last year are:

Garbage collection and disposal, \$40,000; public benefits, \$3400; police pension fund, \$10,000; police protection, \$30,000; fire protection, \$30,000; playgrounds and recreation, \$16,540; Civil Defense, \$1000; Municipal Retirement Fund, \$43,000; and insurance, \$10,000.

The new levy will be extended on the tax records of the county clerk who will determine the new rates by applying the taxes against the assessed valuation of the city.

The tax will help defray the cost of city operations as listed in the budget adopted by the council last July 7.

**\$1½ Million Earmarked For SIU Student Aid**

More than \$1.5 million will be given to about 3700 students at Southern Illinois University during the school year under the Illinois state grants and scholarships program.

The figure is an increase of about 80% above the \$851,000 which has been paid to 2547 SIU students during the last school year, according to Charles E. Gray, assistant to the director of the SIU student work and financial assistance office.

## 14 Articles, Four Separate Questions Listed by Delegates

Illinois voters will decide on Tuesday, Dec. 15, whether to replace their century-old state constitution with a proposed new constitution completed yesterday.

Before adjourning after a 16-hour day at 3 a.m. Wednesday at Springfield, the 116 delegates approved a 14-article document and four questions which will be submitted separately from the main body of the new constitution.

The questions are whether the death penalty should be abolished in Illinois, whether the voting age should be lowered from 21 to 18 years, whether the present system of electing judges in partisan contests should be changed to a merit selection plan — with judges appointed by the governor from lists submitted by nominating commissions — and whether state representatives should be chosen from single-member districts.

The alternative to single-member districts would be virtual retention of the present system of electing General Assembly members from multi-member districts, utilizing cumulative voting.

Delegates proposed 15 articles in all but one was killed Tuesday on third reading. That article would have created a four-member commission to manage and operate the state's bird, fish, game, forestry and wildlife resources.

**Easier Revision**

Another action on Tuesday was the approval of a new constitutional revision article. It eases the procedures for calling

## Woman Injured Seriously in Motorcycle Crash

A woman was injured seriously in a collision of a motorcycle, on which she was a passenger, and an auto, and 12 other persons were injured in 19 traffic accidents reported to Quad-City authorities Monday.

Mrs. Sherry Holt, 18, of 2131a Benton street, was seriously injured when a motorcycle on which she was riding, operated by Brian A. Dobson, 17, of Edw. wardville, collided with an auto driven by Richard A. King of Edw. wardville at 8:20 p.m. Wednesday on Route 159 three miles south of Edw. wardville.

Mrs. Holt was admitted to St. Elizabeth Hospital, Dobson was taken to Scott Air Force Base Hospital.

The collision occurred as King was attempting to pass another auto.

**Three Persons Injured**

Three persons in an auto driven by Edward Sardgal, 29, of 1017 Grand avenue, Madison, who was stopped at a traffic signal, were injured when it was struck in the rear by a car driven by Jerald Jones, 2810 Kirkpatrick Homes, at 8:05 p.m. Wednesday at 27th street and Madison avenue.

Taken to St. Elizabeth Hospital were Sardgal, his wife, Shirley, 34, and son, Timothy, three. Mrs. Sardgal was admitted with pains in the lower back, neck, both shoulders and left ribs. X-rays were taken.

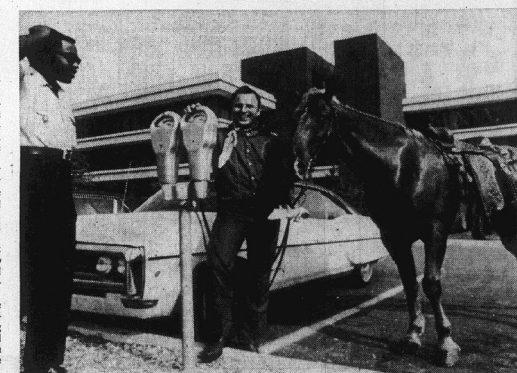

Sardgal was treated for neck pains and was released following x-rays. The boy was examined and released.

Two persons were injured when auto driven by Mike Patrick, 1722 Garfield avenue, and Judi K. Spurrier, 23, of 2229 East 23rd street, collided at 7:45 p.m. Wednesday at 2400 Nameoki road. Complaining of pains were the Spurrier woman and Patrick's wife, Mrs. Veronica Patrick.

**Two on Cycle Hit**

Kenneth L. Kissel, 19, of 2140 Delmar avenue, and passenger on his motorcycle, Mark Skinner, 19, of 1602 Poplar street, were injured when Kissel, making a left turn, lost control and jumped a curb at

**HOW DO YOU TICKET A HORSE?** Wayman Thornton, left, a security officer at SIU-SU, ponders how to ticket a horse overparked in a lot behind the General Office Building. The horse belongs to Roland Cobine, center, also a security officer. Cobine, who lives in East Alton, rode his horse to the campus Tuesday to collect his paycheck.

## Explorer Post Returns From Week of Camping

Explorer Post 6, sponsored by Concordia Lutheran Church, has returned from a week of camping and other related activities in the Ozarks near Potosi, Mo.

The campsite the first night was at the Davisville campground near Davisville and the rest of the week was spent at the Hazel Creek campground in the Clark National Forest.

Activities including swimming and scuba diving in a spring-fed mine pit, two-day-long motor tours through the countryside to become acquainted with the area for future use, backpack hike and overnight wilderness camping on Lindsey mountain, spelunking in an uncharted cave and other trips to nearby points of interest, including several fire lookout towers and a fish hatchery.

Attending were advisor Don Beck, associate advisors Rich Mumphard, Jim Evans and Jim and Bill Anderson, and Explorers Brad Cowan, Mike Heath, Carl Eakle, Mike and Joe Robertson, Mike Ramsey, Don Durbin, Bruce Evans, Tom Beck, Dave Gilmore and Terry Rumpf.

## 6 Steelworkers Attend Institute at U. of I.

Six members of the United Steelworkers Union representing Locals 16, 30 and 67 at Granite City Steel Co., have attended the 24th annual summer institute at the University of Illinois.

The institute, conducted by university professors and members of the union staff, is divided into four parts, and to complete the course an individual member must attend for one week each year for four years.

It is designed to keep union leadership abreast of problems and solutions both within the union and at all levels of government.

Some topics of discussion this year were "The Steelworker—His Union and His Job," "The Steelworker—His Community and His Government," "Problems of the Cities," "Legislation—1970," "Pollution Controls" and "Inflation vs. Unemployment."

Attending the institute were Jake Kalert and Bill Monday of Local 30, Marty Hart, George Kuecht and Wally Wiedner of Local 67 and Earl Baker of Local 16.

## Jaycees to Sponsor Trip to Ball Game

As part of a continuing program to provide service to youth in the local community, the Granite City Jaycees will host a baseball trip Sunday to Busch Memorial Stadium, St. Louis, for a group of underprivileged Granite City boys.

The boys will witness a contest between the St. Louis Cardinals and Montreal.

Earl Warmhoff, Jaycee project chairman, said this year the youngsters have been selected by Edward Gowa, McKinley school principal. "We hope to provide the boys a good, wholesome experience they are not likely to have until they are old enough to earn money to pay for such an outing themselves," the chairman said.

The youngsters will be picked up at their homes by Jaycee members who will leave before noon Sunday, at the Nameoki Village shopping center to travel to the ball game via Redbird express bus, Warmhoff reported.

## Auto Stops, Struck

The rear of an auto driven by Delbert L. Fuller, 2729 Maryville road, forced to make a sudden stop, was struck by a car driven by Susan A. Keller, 2309 Independence drive, at 7:15 p.m. Tuesday at Jill avenue and Nameoki road.

## Sternberg to Address Europe Scout Council

Mr. and Mrs. Gene H. Sternberg sr. of Granite City will go to Berchtesgaden, Bavaria, Germany, where he will be the featured speaker at the annual commissioner training conference of the Transatlantic Council, Boy Scouts of America, Sept. 24-26.

The Transatlantic Council, whose scout executive is Clifford C. Peterson, administers the scouting program in the European countries, with headquarters at Heidelberg, Germany.

The council usually is addressed by a member of the BSA national executive staff. This year, Alden Barber, chief scout executive, suggested that the speaker be an outstanding volunteer scoutmaster, and Sternberg was invited. The local contractor is a past president of Optimist International and a world-renowned speaker.

The Granite Cityans will be accompanied to Berchtesgaden by William D. Sievers, assistant director of BSA field operations.

Challenge to Commissioners. Sternberg will present an inspirational address to challenge the commissioners at the start of the general assembly Friday morning, Sept. 25.

In the Transatlantic Council, the commissioners perform training, recruiting, organizing of new units, advancement and membership promotion, since there are no district organizations.

After the talk, the 200 com-

G. H. STERNBERG SR.

missioners present will be divided into four groups for specialized instruction. Sternberg and Sievers will each visit two of these sessions and give five-minute critiques at the close.

Wives will join the scouters in attending a banquet that evening, and there will be a Bavarian dance program.

The next morning, Sternberg, Peterson, Sievers and Major Gen. E. H. Almqvist, the council commissioner, will participate in a panel answering questions from the individual commissioners.

## Executive Board Talk

Sternberg then will present the final challenge at the closing luncheon Sept. 26, in addition to speaking at an executive board meeting in the afternoon.

The executive board consists of 45 general officers of the Army and Air Force and several Navy officers; its president is Gen. Joseph R. Holzapfel, commander-in-chief, U. S. Air Force, Ruppert.

The journey also will include a visit to Salzburg and other points of interest in southern Germany and Austria, with attendance at the Passion Play at Oberammergau Sept. 23.

The "Sternbergs" eastward flight will land at Munich, Germany, Sept. 21.

The Transatlantic Council has a 15-man professional staff and serves over 30,000 American boys in Germany, France, England, Italy, Spain, Morocco, Turkey, Greece, Libya, Norway, Switzerland, Iceland, North Ireland, Scotland, Austria, Luxembourg, Holland, Belgium, Sweden, Ethiopia, Yugoslavia and Poland.

## Wider Press 'Coverage' of Courts Urged

Judge Harold R. Clark, Republican candidate for the Illinois Supreme Court, on Tuesday called for wider press coverage of the courts — particularly criminal cases — as "Public We a p o n No. 1 against rising crime rates."

Clark, a resident of Alton and veteran trial judge in the 3rd Judicial Circuit, said:

"The public must understand — urgently — that what happens in our courts in the years just ahead will determine what kind of a society we will have for generations to come."

"The courtroom is the final battleground in the war on crime, disorder and human injustice. It all ends there."

**Press Must Observe**

"Because newspapers, radio and television are the eyes and ears of the public, the press must be constant observers of what happens in our court rooms."

"I frankly think that crime and disorder are our greatest concern at this difficult, sometimes frightening moment in history, and — just as frankly — I think the general public is greatly cynical about what is happening in the courts."

## Hospital Initiates Drill For Tornado Procedure

St. Elizabeth Hospital initiated Phase II of its tornado procedure drill Tuesday in conjunction with activation of Granite City's network of warning sirens which are sounded on a test basis at 10:30 a.m. on the first Tuesday of each month.

"Everything went very smoothly and we are quite pleased with the results," commented Bernard T. Pinney, St. Elizabeth's director of personnel administration and chief of the hospital's disaster preparedness program.

The local hospital's tornado procedural plan is divided into three phases, Pinney explained. Phase I signifies that a tornado watch is in effect, meaning tornadoes may develop in this area, he said.

Phase II will be activated if a tornado actually is sighted in the immediate or surrounding area and Phase III goes into action should a tornado be sighted heading toward Granite City and the hospital building is in its path, the disaster chief said.

**Alerted for Conditions**

In event the sirens are sounded, Pinney pointed out, hospital switchboard and office personnel will turn on radios and listen to weather conditions.

Under Phase II of the plan, the switchboard will notify all nursing units of a tornado warning situation or thunderstorm condition. Nursing personnel are to pull drawers closed on their unit and instruct patients and visitors to stay in their rooms and away from windows.

Staff members also have been

"I am persuaded, after 14 years on the bench, that only full and factual press coverage will tell it like it is and, in turn, produce the public involvement that will reverse the crime course. If the press can generate a national crusade against air and water pollution — as they did — they can work the same minor miracle against criminality."

**Periodic Conflicts**

Judge Clark said he recognized fully the periodic conflicts between the press and the courts on the matter of prejudicial publicity. He said:

"As a judge, I am the very first to insist on a test-tube atmosphere in which the rights of all individuals concerned are protected to the fullest."

"But I think there are workable solutions. Certainly I know that both the press and the courts are eager to resolve these conflicts."

"One step in that direction might be for the various press associations to begin a dialogue with the Illinois State Bar Association, the Illinois Courts Commission and others, if only to make the officers of the courts aware of the demands

of deadlines and to make the press aware of need for impeccably accurate reporting, if justice is to be served and preserved."

"From such a dialogue can come the kind of cooperation to concentrate the power of a free press and a dedicated court to such national apogees as crime in the streets."

**Supreme Court Candidate**

Judge Clark, Co-Chairman of the Southwestern Illinois Law Enforcement Commission, is the Republican candidate for the Illinois Supreme Court from the 37-county district representing the lower one-third of Illinois.

A native Illinoisan and a graduate of the University of Illinois Law School, he was an army combat artilleryman during World War II, serving 38 months overseas.

He is also a veteran of 24 years of trial law, 10 years of it in general law practice, and for the last 14 years, he has served as a judge of the Circuit Court in the 3rd Illinois Judicial District in Madison County.

He resides in Alton with his wife and four children.

## Sen. Smith Urges Congressional Fiscal Restraint

U. S. Sen. Ralph Tyler Smith (R-Alton) this week called for fiscal restraint in Congress to backstop President Nixon's anti-inflationary economic policies.

"I think President Nixon has succeeded in turning the corner in the battle against inflation," said Smith. "It is obvious he has just put us back on the road to price stability without triggering a full-blown recession."

In a Springfield press conference, Smith cited last week's encouraging economic developments as proof that Nixon's anti-inflation strategy was taking hold. He referred to the decline in the government's wholesale price index—the first downward movement in more than two years — and a slowdown in some of the cost-of-living increases coupled with increased productivity.

"Although President Nixon has succeeded in putting the economy back on the right track, Congress could be the main culprit in causing a derailment," said Smith. "Congress must exercise fiscal restraint, for in the final analysis, its actions have the greatest single impact on market conditions, wages and prices."

**Faced With Big Deficit**

Smith said that President Nixon inherited an "inflationary mess" when he took office. He said the President was faced with almost \$38 billion in federal deficits.

"It was the irresponsible spending policies of the previous administration and a Democrat-controlled Congress, which triggered the inflationary cycle that is now being halted by President Nixon," Smith said.

Smith said he was concerned by the predictions of some economists that the federal deficit for the fiscal year, which began last July, might hit \$10 billion. He said the administration last May anticipated a deficit of \$1.5 billion for the current fiscal year, but there was little chance it could be held that low.

"Congress seems determined to put inflated price tags on almost all of the President's budget requests," said Smith. "But thus far it has shown little inclination to come up with the additional revenue to offset higher spending. It is part of the strategy of the Democratic leadership in Congress to try to embarrass President Nixon by leaving him no other course of action but to veto bills which have been inflated for purely political reasons."

**Cites Employment Levels**

Smith said that while the Democrat Congressional leadership has been carping about a 5 percent unemployment rate, it has neglected to mention that average unemployment was 6.7 percent in 1961, 5.5 percent in 1962, 5.7 percent in 1963 and 5.2 percent in 1964. He said that only after the Johnson Administration stepped up draft calls and sent thousands of additional troops to Vietnam did unemployment drop below 5 percent.

"In moving the country from a wartime to a peacetime economy, the President cut defense spending to a point where its percentage of the total budget is the lowest since 1950," Smith said.

He also pointed out that the Nixon Administration is allocating 42 percent of its budget for human resources as opposed to 37 percent for defense.

**Accident on Lot**

An auto driven by Eva Janowski, 2909 Fortune drive, was involved in an accident with a convertible auto on the parking lot at 1815 Edison avenue at about noon Monday.

## Extension Service to Use New Telelecture System

A new method of offering courses has prompted the University of Illinois Division of University Extension to move to expanded quarters at 415 East Main Street, Belleville, from its former office in East St. Louis.

The University will conduct several courses via the combined telelecture and electro-writer remote blackboard method of instruction on two Univex-Net loops. These nets link the Champaign-Urbana campus with equipped classrooms in several Illinois cities, one of which is Belleville.

The instructor will be in a classroom on the Champaign-Urbana campus and the students will be in classrooms in

several cities about the state. The instructor will speak to all class locations by the telelecture system, and the students at all locations can speak to the instructor as well as students at the various other locations.

Also, by use of the Electro-writer Remote Blackboard system, the instructor and students are able to transmit writing or drawings to all locations.

Subject matter areas to be offered include civil engineering, computer science, electrical engineering, engineering mechanics, mathematics, mechanical engineering, minerals and metals engineering, theoretical and applied mechanics, agriculture,

home economics, education, and vocational and technical education.

Nearly all of the courses offered are on the upper-undergraduate and graduate level and are selected so as not to duplicate or compete with offerings of area institutions.

Two classrooms at 415 East Main Street, Belleville, are now being equipped and readied for the reception of these courses which will begin during the week of Sept. 24 and will be available both during the day and evening.

This Univex-Net program will augment the regularly scheduled classes offered by the University of Illinois in which the instructor journeys to locations

in this area for weekly meetings. For information, or for enrollment in the Univex-Net classes, interested persons may contact Fred V. Steuermann, regional director, at 415 East Main Street, Belleville, Ill. 62201, or phone 235-3880.

## Fricker Begins Term On GC Housing Board

Jack E. Fricker, an employee of the Union Electric Co. and son of former City Inspector John T. Fricker, was sworn in as a commissioner of the Granite City Housing Authority at the authority's September meeting Tuesday night.

Commissioner Fricker was appointed by Mayor Donald Partney. The appointment was confirmed by the State Bureau of Local Government Affairs in Springfield.

The position on the five-member board formerly was held by the late Commissioner Walter Pfaff. Fricker had been named to replace Mr. Pfaff, who had remained active in the post pending state approval of the change.

For exterior painting of 300 housing units at Kirkpatrick Homes, the board awarded the work to the Roseman Painting Co. of Granite City on its low bid of \$19,498.

Stanley Hanks Painting Co. of St. Louis bid \$21,500 and Gus T. Hange & Son Painting Co., also of St. Louis, bid \$22,722.

The Kirkpatrick Homes Improvement Association and the Housing Authority have arranged for 100 children from Kirkpatrick to go to Busch Stadium to see a Cardinal baseball game on Sept. 19. It was reported.

## Trojans to Increase Their Aerial Attack

Madison Trojan football players will hold their first full scrimmage tomorrow. Until now they have been holding contact drills.

Coach Alvin Vander Haar reports that the team is in relatively good shape defensively, with six of the 11 starting players returning. Offensively, only three of the starting 11 are returning.

The only returning starter in the offensive front line will be Harold Campbell, 6-0, 205-pound senior guard. This leaves Vander Haar with the task of breaking in six more linemen.

Ed Chatter, 5-11, 185-pound running back, and Courtney Prothro, 6-3, 225-pound tackle, are being counted on to play major roles.

Dwayne Shaw, 5-10, 180-pound running back, is showing he has not lost his effectiveness of last season, when he gained 1331 yards in nine games.

Shaw finished second in this region in yardage. The No. 1 ground gainer, from East St. Louis, played in 10 games, more than Shaw.

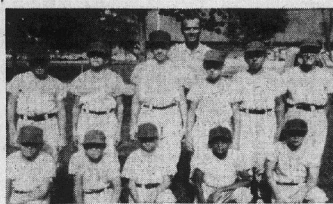

Coach Vander Haar explains that, because of greater experience being available this year,

Madison fans can expect to see more passing.

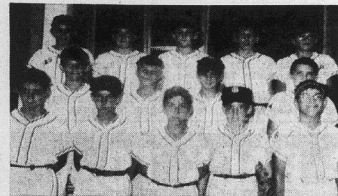

Last season, Madison led the area by gaining more yards per game than any other team. The Trojans averaged, in 1969, 49 yards a game passing and a tremendous 350 yards a game rushing.

Sophomore players showing marked progress include Randy Graville, Carl Fomville and a senior who is out for the squad for the first time, Jon Gardner.

Madison's first varsity game will be Friday, Sept. 18, at 7:30 p.m. at O'Fallon. The junior varsity will play its first game Sept. 21 at Soldan high in St. Louis.

**SEASON BASEBALL CHAMPS** of the Jim Holland League. First-year Midgets, are the Fun and Sun Cards, with a 9-3 record. **WINNING NINE** and losing three games, the Gas Pumps team took top season honors in the Jim Holland League. First-year Midgets, Granite City park boys' baseball program. Front row, left to right, Bobby Hagauer, Kevin Gavlick, Billy Barnes, Jay Schmeig, Alan Benko. Middle row, Ed Janek, Paul Kwiatkowski, Steve Boston, Cliff Delamano. Back row, Larry Schleicher, Keith Moran, Kevin Konzen, Jim Jackson, David Kwiatkowski. Absent, John Hillberry.

## 21 Games Decided, 27 to Go In Labor Day Ball Tourney

The championship deciding game of the Granite City park district Labor Day week-end ball tournament is scheduled Monday, Labor Day, at 7 p.m. at Worthen park.

The championship contest will culminate the 48-game tournament schedule which began Sunday and is continuing every evening at Worthen park, starting at 6 p.m.

Several looser bracket games will be played tonight and Friday beginning at 6 p.m. at Worthen park. Two afternoon games are slated at 2 p.m. and 3 p.m. Sunday at Worthen park. All other games are during the evening at Worthen.

One semifinal game will begin at 8 p.m. at Worthen, Sunday, culminating an evening of games. The other semifinal will be 6 p.m. Monday at Worthen.

Clayde Belcher, chairman of the Madison County Republican Central Committee, said the dinner will be one of 14 that will be held throughout the state on the same evening to honor Senator Smith. Smith will not be able to attend the dinner.

**\$10 Per Plate** State Sen. Merrill Otwell (R-Edwardsville) will be master of ceremonies and Charles O'Neill of Hamei is chairman of the dinner arrangements. The affair will be open to the public. Tickets may be obtained from any Republican precinct committeeman in the county at \$10 per plate.

The elected Governor, Senator Belmont, attracted national attention in 1963 when he became Oklahoma's first GOP governor. While governor he took an active part in the National Governor's Conference, serving on its executive committee. He also was vice-chairman of the Conference committee on Natural Resources and was one of ten governors who toured Japan, Hong Kong, South Vietnam and Okinawa on a State Department sponsored trip in November, 1965.

He led an effort to improve government statistical reporting on federal programs which led to the 1968 Conference on Comparative Statistics in Washington. He was also an eight-governor committee established to make a study of federal revenue sharing.

Plans also are under discussion for an area-wide campaign rally in behalf of Senator Smith to be held on Sept. 27, but detailed arrangements have not been completed.

## MORE ABOUT Campaign Steps

State senator last fall by appointment by Gov. Richard B. Ogilvie, is seeking election to the remaining four years of the term of the late U. S. Sen. Everett M. Dirksen whom Smith succeeded.

A dinner honoring Senator Smith will be held at Southern Illinois University-Springfield in the Grand Ball Room at 7 p.m. Sept. 14, at which Sen. Henry Belmont, (R-Okla.) will be the speaker.

Clyde Belcher, chairman of the Madison County Republican Central Committee, said the dinner will be one of 14 that will be held throughout the state on the same evening to honor Senator Smith. Smith will not be able to attend the dinner.

**\$10 Per Plate** State Sen. Merrill Otwell (R-Edwardsville) will be master of ceremonies and Charles O'Neill of Hamei is chairman of the dinner arrangements. The affair will be open to the public. Tickets may be obtained from any Republican precinct committeeman in the county at \$10 per plate.

## GCCHS Defense Ahead of Offense in Grid Drills

Slow but sure progress is being made to prepare the Granite City Warrior football team to do battle with Stephen Decatur high school in the opening game Saturday, Sept. 19 at Decatur.

Head Coach Wayne Williams reports that the defense, with six of 11 starters returning, is looking better every day. In the offensive picture, only two starters are returning — Jeff Meizer and Richard Moore — and they have injuries, although not serious, which will affect their performance.

Coch Williams notes that most of the team reported way out of shape and "it takes time to develop" into regular season form. Only small-scale drills have been held to date and it is considered a little early to pinpoint

the full potentials of players on the team. Mark Mizerski, 6-2, a 235-pound tackle, is a returning senior and has been looking sharp in the drills. John Tarpoff, 5-9, 177-pound guard, and Tom Kalert, 6-2, 174-pound center, also are showing promise.

Dick Sutcliffe, now standing second in the IMCA (International Motor Contests Association) standings, is expected here Friday along with Jim Moughan, winner of the super sprint feature race at last week's tripleheader night, and Bill Utz, who leads the track championship standings.

With Spalding will enter both the sprint and hobby-stock car divisions Friday. Driving in the triple header last week, Spalding placed second in the sprint feature and nearly won the midjet feature.

The sprint feature, slated for 20 laps of racing required 56 total laps, including yellow flag caution laps, before the checkered flag was unfurled.

Jay Opperman of Hayward, Calif., fastest sprint qualifier, led most of the sprint feature but "seized" his engine three laps before the finish while leading second-place Bobby Jones by over an eighth-mile.

In the final few laps, Jones incurred mechanical problems and could not hold the lead.

Moughan, who had started sixth, won. Spalding also took advantage of Jones' mechanical difficulties and took second.

## GCCHS Harriers Open at Triad

Granite City high's cross-country team will open its season with a dual meet at Triad in St. Jacob at 4 p.m. Friday.

The next Warrior outing will then be Sept. 8 at defending Southwestern Conference champion Belleville West. The earliest harrier competition in Wilson Park will be Sept. 10, meeting O'Fallon.

## Park Flag Football Teams Need Coaches

Volunteer coaches and managers to supervise teams in the Granite City park district's flag football program are needed, Ronald Dillard, program director, said today.

Persons interested in coaching and managerial assignments are to call the Wilson Park office, 877-3639.

Initial practice sessions are scheduled on Saturday Sept. 12, with league contests starting the following Saturday, Sept. 19.

Boys in the third through seventh grades still may register for the flag football program by calling the park office, the director said. In the past few years, the program has grown to involve more than 300 youngsters, separated into three divisions.

Flag football players will compete in divisional games in the Ron Hall league for third and fourth graders, the Ken Gray league for fifth and sixth grade pupils and the Joe Robb league for seventh graders.

Additional seventh grade boys are needed to fill out existing teams, Dillard said. To be eligible to play, a boy must have attained the age of eight by Nov. 30, and not have reached the age of 13 by Sept. 1.

## East Alton Stalks Second While Mercer Team Is Idle

The final games of the Inter-City Baseball League regular season will be played Sunday.

Mercer, having ended its regular season with a 12-7 record, is idle until the post-season playoffs begin Sept. 13.

Collinsville, already assured of the league pennant, carrying a 15-4 log, will play Maryville (10-8) at the Moonlight diamond in Troy at 2:30 p.m. Sunday.

East Alton with an 11-7 record could overtake Mercer's hold on second place after Sunday's 1 p.m. doubleheader at Highland (3-15).

In the playoff semifinals, Maryville will visit Collinsville and Mercer will meet East Alton at the home diamond of the still-to-be-decided second-place team.

The semifinal victors will meet for the playoff championship trophy in a best-of-three-games series.

## NYC Summer Workers Honored at Dinner-Meet

More than 100 young people and adults who participated as workers and supervisors in the Mayor's Summer Youth Employment Program in Granite City were honored last week at a "back-to-school" banquet held at the Tri-Cities YMCA.

The affair was hosted by the Neighborhood Youth Corps in conjunction with Coordinated Youth Services, Granite City Optimist Club and Mayor Donald Partney. The banquet was funded with contributions from the Optimist Men's Club. Dinner facilities were donated by the YMCA.

Special guests included Mayor Partney, Edward L. Stone, Opt-

timist club secretary, and NYC staff representatives, Robert Woods, Mrs. Anita Guffy, Mr. and Mrs. Larry Ross and Mr. and Mrs. Pete Carich.

Entertainment was furnished by a group of local college-age youth, who presented a musical program. Members of the group were Kathy Turck, Tom Krieshok, Barry Gibbs, Tim Moore and Bob Turck.

Pete Carich of Granite City, a Neighborhood Youth Corps staff consultant, was in charge of the dinner and served as master-of-ceremonies.

**Participants Commended**  
Local youth who took part in this summer's in-school job program were introduced. Con-

gratulations were extended by Mayor Partney who commended the young people for "the excellent way in which you handled your assigned tasks." More than 70 teenagers hired under the NYC-Mayor's Summer Employment Program this year were assigned to jobs in various city departments, health-welfare agencies and local church offices.

A total of eight young people was involved in the first summer job project, initiated by

**CAPACITY CROWD** fills YMCA auditorium for banquet honoring NYC youth workers and supervisors who took part in the Mayor's Summer Employment Program. More than 70 local in-school youth held jobs obtained through the program at 30 agencies, city departments, St. Elizabeth Hospital and a area churches.

Mayor Partney four years ago, it was noted. The youthful workers received \$1.45 per hour and worked a 26-hour week during the 1970 ten-week program.

Those eligible for employment through the NYC program are youths 16 years of age or older, whose family income conforms to factors set forth in federal guidelines. All those enrolled must plan to return to school in the fall.

**Work Photos Reviewed**  
Following remarks by Mayor Partney, a series of slides was

screened, showing the NYC youth "on-the-job" at several work sites, and a sing-along was enjoyed.

Other guests at the dinner and the city department or agency they represented, included Isabelle Crnkovich, city clerk's office; Douglas Great-house, custodial service; Marge Hall, city inspector's office; Nadine Harrison, police department; Ernest Hubbard, sewerage treatment plant; Tom Reynolds, traffic division-paint shop.

## 5 Registration Centers Scheduled this Weekend

A series of special voter registration centers will be operated this weekend in the Quad-City area at which new voters may register for the Nov. 3 election.

Persons eligible to vote, but who have not qualified by registering may do so through the special deputy registrars from the Madison county clerk's office who will be stationed at the special locations on the dates and times listed.

Those qualified to vote in the Nov. 3 election are residents who will be 21 years of age on or before Nov. 3; a resident of the state for one year, the county 90 days and the precinct in which they live 30 days. Voters are required to be U. S. citizens. Voters who are currently registered but need to correct their records may do so.

The final date to register for the November election is Oct. 6, Miss Eulalia Hotz, county clerk advised.

On Friday, Sept. 4, Quad-Cityans may register at the American National Bank, between the hours of 4 and 7 p.m.; and at Schermer's Market, 12th and Madison avenue, from 10 a.m. to 1 p.m.

Three registration sessions are scheduled Saturday, Sept. 5. From noon to 7 p.m., deputy registrars will be located at Quaker Grocery store, 629 Broadway, Vanice; and at Kroger store, Nameoki Village shopping center.

Also Saturday, new voter registrations will be accepted at the Catherine Smith residence in Eagle Park Acres, from 10 a.m. to 5 p.m.

## Meany Endorses United Fund Plan

George Meany, AFL-CIO president, has extended formal endorsement of United Fund campaigns, according to a letter received by Robert M. McCormick, AFL-CIO Community Service director for the Tri-Cities United Fund.

In his letter, Meany wrote: "One of the finest examples of democratic citizen participation for the betterment of the total community is demonstrated by the working relationship between the United Way of America and the AFL-CIO through community service activities."

"AFL-CIO members are directly involved as volunteers of the policy-making boards and committees of United Funds, health and welfare councils and their member agencies."

"In addition, AFL-CIO members, as a group, constitute the largest single contributor to United Fund campaigns in the country."

"Today our nation is facing many difficult social and economic problems which can be solved through the democratic process only if all Americans, labor and management, black and white, young and old, pull together."

"While governmental responsibility is essential here, voluntary action is of equal importance. The United Way provides all citizens with the opportunity of reaffirming, by voluntary action, their faith in the democratic society while at the same time providing financial support to help sustain the many social services established to serve people in need."

"I urge all AFL-CIO members, therefore, to again respond this year to the United

## Cars Considered Safe Refuge from Lightning

Where should you take refuge from lightning during a summer thunderstorm? One of the best spots to seek shelter is in your closed, steel-topped automobile.

Because of its metal shell, when lightning strikes an auto it spreads all over the metal, traveling through the springs, axles and bearings to the wheels, and then jumps past the rubber tires to the ground. A person would get a burn when inside the car only if in direct contact with metal.

A thunderstorm is a signal to get out of the car, particularly if working in the fields, golfing, swimming or in some other open area.

Every year, nearly 1000 persons are hurt or killed by lightning, in addition to an annual property loss of more than \$100 million.

Lightning seeks out the most prominent object in the immediate vicinity, because it looks for the easiest path between earth and sky. If caught in the open, the best advice is to avoid isolated trees and the tallest trees in the vicinity.

When in the open, seek protection in a low spot such as a ravine or ditch. Don't go near wire fences, power or telephone poles—and stay away from beaches and out of water.

Way appeal for funds in their communities. I know they will give as generously as ever to their local United Funds and Community Chests."

### Jaycette Awards Given

#### SORORITY PLANS COMING EVENTS

A business meeting of Eta Chapter of the Phi Tau Omega sorority was held last night at the Elk's Club with the president, Mrs. Judy Adams, presiding.

Fifteen were present, including a guest, Mrs. Betty Benda, of Sigma Lambda Chapter, in Des Moines, Iowa, convention chairman for 1971, who outlined plans for the national convention to be held in St. Louis.

Also on the agenda were plans for participation in the United Fund "Fun Fair" Oct. 3-4, for the Nameoki Village Charity Days Sept. 17-19, and a rummage sale to be held Oct. 17, the place to be announced later.

Prizes were won by Miss Betty Krug and Mrs. Mary Lou Richeson. Hostesses for the next social meeting are to be Mrs. Adams, Mrs. Barbara Barr, Mrs. Mary Boring and Mrs. Mary Lou Stark.

#### BRIDAL SHOWER FOR MISS PRITCHETT

Green and white appointments were used Wednesday for the bridal shower given by Miss Darlene Rutherford, Mrs. Cindy Bartling and Mrs. Davis Mitchell for Miss Janet Pritchett at the Pritchett home on Lynch avenue. Thirty-five were present.

Miss Pritchett will be married Sept. 18 to Robert Wheatley. The ceremony will take place at St. John United Church of Christ on Nameoki road.

**Trip to Motorists**  
Your chances of being injured in a traffic accident are the highest in history—drive cautiously at all times.

#### SORORITY HEARS CONVENTION REPORT

Alpha Xi Chapter of Epsilon Sigma Alpha sorority held the opening meeting of the 1970-71 season Tuesday in the home of Joyce Albers, 3119 Yale drive.

The president, Mrs. Kathy Dohal, called the meeting to order and the educational program was given by Mrs. Albers, who discussed her trip to the EAS International Convention in St. Paul, Minn., earlier in the summer.

A special guest at the convention was Danny Thomas, the television star, who spoke on Alaska, the state-wide project of Epsilon Sigma Alpha. The "Teen-age March" will be held Oct. 23-4, and the youth of Granite City are urged to assist so that children suffering from leukemia, hemophilia and other blood disorders may have a chance for a normal life.

Mrs. Albers, Alasca chairman for this area, explained the work to be done to get the project under way and each member was presented with an area lapel pin.

Correspondence was read, reports were given and a number of future projects were discussed, including the booth the chapter will have at the Nameoki Village Shopping Center, Char. Fair, Sept. 17-19. A welfare project for September will be a donation to the Red Cross to further the cause of the "ditty bag."

Refreshments were served to Madeline B. Kelly, Coligan, Mary Modica, Rosalie Bunte, Sue Sanasarian, Gerry Mendez, Pat Lalich, Mary Finros, Carole Poole, Barbara Orris, Katha Dohal and Miss Betty Butch. The next meeting will be held Oct. 6 with Mrs. Bunte.

#### DAV AUXILIARY PLANS DRIVE

A meeting of the DAV Auxiliary was held last night with Commander Ruth Nunes in charge.

Mrs. Winnie Kelly was appointed chairman of the Forget-Me-Not drive to be held Sept. 17-19, with a kickoff dance planned for Sept. 11. A donation was made to the Carville Leprosorium and Mrs. Eva Barry was a new member enrolled by the group.

Others present were Mesdames Berntha Kichler, Louise Schmitt, Helen Miller, Irene Hoelter and Lillian Heffley.

**Bankrupt**  
Any man can be proud of making his mark in the world, except when it's in red ink.

#### GARDEN STUDY CLUB MEETS; 14 ATTEND

Members of the Garden Study Club met in the home of Mrs. M. Wilmer Winter, 4616 Vine avenue. A dessert luncheon was served to 14 members.

Mrs. Clifford Mang, president, opened the business meeting and Mrs. Winter led the members in reciting the club motto.

Mrs. C. E. Eads, district literature chairman, opened a discussion of the club lending its services in the collection of glass to support the anti-pollution program.

A national council of state garden clubs pin was donated to the club by Mrs. Clifford Mang. Mrs. Eugene Short, and Mrs. Delbert McKissick. The pin is to be worn by all future presidents.

The club voted to donate a contribution for a junior at conservation school to apply towards a club scholarship. The Comprehensive Study was given by Mrs. George Stearns on Cheryl.

Members brought arrangements made from flowers in their gardens. The group then enjoyed Mrs. Winter's garden.

Other members present were Mrs. Robert Blankenship, Mrs. Abner Branding, Mrs. Rola Grewell, Mrs. Marceline Jung, Mrs. H. E. Lynch, Mrs. Bonard Mayles, Mrs. Arthur Roman, Mrs. August Theis and Mrs. Edward Theis.

The next meeting on Oct. 7 will be at the home of Mrs. Arthur Roman, RR One, Box 1468. Members will bring herbs they have planted and have a white elephant sale.

### Training Key to Equal Opportunity-Howlett

Education and employment training are the key factors to civil rights problems in this country, according to Rev. E. Stanley Howlett, a personnel counselor at Granite City Steel Co. He was the speaker at a Madison Rotary club luncheon Wednesday.

He explained a civil rights program within the company which has attracted national attention from other industries. Its main purpose is to bring more of minority groups into the mainstream of employment, he said. It includes encouraging people to study for a high school equivalency examination or to return and finish high school.

Howlett has spoken to over 800 students in 19 area schools, he noted. A placement department to help those who do not fit job requirements has been set up, and close contact is maintained with other employers to provide work until the individual can enter a vocational training program or finish high school, qualifying for better jobs.

Although the program is new, federal government officials have studied the ideas and look with much favor on them, the club was told.

A former professional boxer for eight years, and currently an ordained minister of a Baptist church in St. Louis, Rev. Howlett delivered a short and unusual sermon to the Rotarians.

Taking the role of a ring announcer, he described in detail his impressions of a 15-round "prize fight between God and the devil."

His last professional fight was with the ex-heavyweight champion Sonny Liston. His conclusion: "That was a good time to quit."

### MORE ABOUT Helicopters

non-aviation-type ships in the South China Sea with a ready supply of smoothly running helos.

Commanded by Commander Billy C. Lamborn, Cleburne, Tex., its 12 officers and 140 enlisted men are a crucial cog in the wheel of helicopter rescue and logistics support for the Seventh Fleet.

**Flight Control Tests**  
In order to safeguard their comrades in the Tonkin Gulf, the men of HC-7 put their helicopters through a myriad of systems checks and flight control tests before releasing them to the fleet.

In their newly-built hangar at Cubi, they conduct hundreds of electrical tests, replace engines or trim, help parts for salt corrosion.

Key personnel in separate shops look for and repair malfunctions in their own realm of training. High-time components (those subject to excessive wear) are inspected and replaced at regular intervals.

The result of their combined efforts is a thorough check-out of the aircraft. Then they are ready for the flight tests.

**Aerial 'Calisthenics'**  
Like football players going through their paces, the helos of HC-7 drill extensively in airborne calisthenics. Hovering motionless for a few moments, they then dip to the left or right, lunge forward or backward, or simply dart away at flank speed.

With each maneuver, the pilot checks off another item on his long flight-test list.

"Out there on Yankee Station, they don't have enough time, people or equipment to test the birds, so they send them here to us," says Lieutenant Carl F. Savat, a staff officer, Comm., an HC-7 test pilot.

The Cubi detachment normally receives one H-2 and two H-3 helos each month for aircraft maintenance in a planned rotation.

### NEW BUS FARE SCHEDULE CALLS FOR 5¢ INCREASE IN BASIC CASH FARE

New rates of fare on Bi-State Transit System buses will go into effect on Monday, Sept. 7.

The new rates are essential in order to maintain the financial stability of your not-for-profit transit system. In view of the conditions that are facing us, the transit system cannot continue to operate on the present fare structure. We deeply regret the necessity of this fare increase but we must meet expenses through the farebox until we receive outside financial assistance in the form of a substantial operating subsidy from governmental sources—whether local, state or federal, or a combination of these.

NEW CASH FARES	
LOCAL SERVICE	Adult - 45¢ Child - 20¢
EXPRESS & RAPID SERVICE	Adult - 50¢ Child - 25¢
TRANSFERS	10¢

NOTE: No change in zone charges.

#### NEW PRICES FOR WEEKLY BUS PASSES

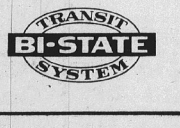

SILVER PASS, good in the central fare area with no additional payment; also good in suburban zone area with applicable zone charges—\$5.75

GOLD PASS, good in the central fare area plus suburban zones 1 & 2 without zone charges—\$7.00

DISCOUNT PASS, good in the central fare area plus suburban zones 1 & 2, from 9 a.m. to 4 p.m., Mondays thru Saturdays and all hours on Sundays and specified holidays—\$3.00

**SPECIAL "INNER-CITY" FARE**  
The special "inner-city" rate of 35¢ will be good for a single vehicle ride on all routes entering the central downtown district in the area generally east of Kingshighway in Missouri and west of 25th St. in Illinois. The special 35¢ rate will be in effect from 9 a.m. to 3:30 p.m. and from 6 p.m. to 6 a.m., Mondays through Saturdays and all day on Sundays and specified holidays.

**SPECIAL SUBURBAN RATE**  
The present basic fare of 40¢ for a ride traveling four connecting suburban zones, will be increased to 45¢.

**BI-STATE TRANSIT SYSTEM**

### Ride for less with a WEEKLY PASS

Your Bi-State weekly bus pass has always been a money-saver . . . and it will be even more so when the basic cash fare is raised a nickel to 45 cents starting Monday, September 7. At the same time, transfer charges will be 10 cents instead of five cents. But, if you use the bus within the Missouri-Illinois central fare area, the weekly Silver Pass will give you unlimited riding on Express or Local buses with no transfer charges. You ride all week—as often as you like—for only \$5.75 with a Silver Pass. For example, if you ride 12 times a week with a transfer you would save 65 cents by using the Silver Pass. If you ride express, you would save even more.

If you want unlimited riding in the central fare area, PLUS suburban zones one and two, then the Gold Pass is for you—only \$7.00—and again a big savings.

When you think about it, although the basic fare will be 45 cents, a Bi-State bus pass will still be the way to lower your daily transportation cost. Buy a Bi-State bus pass every week. Bus passes are sold at more than 100 stores, banks and other business firms throughout the Bi-State area. Call 773-1120 for the location of the Pass Sale outlet most convenient for you. Silver, Gold or Discount, buy a pass and ride for less.

## 24 Theft, Burglar Cases, \$530 Stolen at Station

### MORE ABOUT City Resolves

Several aldermen maintained such action would eliminate virtually all sick leave at questionable nature.

City officials raised objections to rising sick leave costs a month ago when Mayor Donald Partney suggested the council "do something" about what he termed the abuse of sick leave regulations by persons whom, the mayor said, were not entitled to benefits. In subsequent discussions, the mayor and other city officials cited several instances in which street department employees obtained sick leave under circumstances questioned by council members. The mayor asserted that he knew of one street department employee who was "hurt in a tavern brawl" and drew sick leave for his time off.

Aldermen complained of too many instances in which employees take off on Fridays and again on Mondays, on sick leave, leaving the street department, or any other department, short-handed. William Warfield, street superintendent, said that all sick leave requests in his department are in accord with terms of the city's sick leave ordinance and that to correct the problems cited by city officials changes will be necessary in the ordinance.

**Proposed New Ordinance**  
City council members proposed two weeks ago to submit an ordinance that would eliminate pay for the first three days of illness. They postponed action on the bill in the Aug. 24 meeting after representatives of the employees' unions, protested elimination of the three-day sick leave pay. The council agreed to meet with representatives of the unions and delegates of city hall workers in Monday night's meeting.

Following an orderly discussion of the problem, Alderman Gerald Partney moved that a copy of the sick leave ordinance be provided to all city employees. The motion carried. The council also decided to leave the sick leave system as it now is, with each department head responsible for the program in his respective department.

Council members said the program would be kept under close scrutiny and expenditures and other aspects of the system will be reviewed at the end of this year.

Twentyfour cases of burglary and theft were reported to Granite City and Madison Police authorities this week. Included were theft of more than \$500 from a service station, five house burglaries and 12 cases involving vehicles.

A bank deposit envelop containing \$328.08 in change and bills was stolen from the office desk at Clark's service station, Washington avenue and Washington road, after 11 a.m. Tuesday. It was reported at 2 p.m. The manager said the station had been busy during that period of time.

A 25-inch color television set, a tape deck system with two walnut speakers and about 13 tapes of country and western music were stolen in a burglary of the home of Ray Robinson, 2416 Cardinal avenue, between Friday and Tuesday while he was in town, he reported at 10 p.m. Tuesday. Entry was gained through a garage "window" in his back pocket.

Beverly Postar, 1342 Twenty-seventh street, reported at 3:35 p.m. Tuesday that as she entered her driveway she saw someone running out the back door of her home with a screwdriver in his back pocket.

Two \$20 bills and two \$5 bills were missing from the home. Entry was gained by removing a pane of glass at the rear of the house. The intruder was described as wearing a medium build with brown hair.

## Sasyk Proposes Replacement of Madison Streets

Two radically new approaches to future street and alley maintenance procedures for the city of Madison were proposed Tuesday evening by Mayor Mike Sasyk at the city council meeting.

Asking the aldermen to "merely think" about his suggestions and not formally debate the issues until clarification can be obtained from city engineers, Mayor Sasyk proposed a permanent road program for the community, replacing the annual resurfacing project carried out at an estimated yearly cost of \$75,000. He also proposed closing alleys to speed trash pickup and possibly reduce crime.

Mayor Sasyk said that both projected programs, if approved by the council, would be accomplished on a sectional basis over a period of time.

Commenting on his road maintenance proposal, Mayor Sasyk said the city spends about \$25,000 annually on city and state roads.

"I believe each year we should take a section of town and replace the present streets," he said. "This would be a great many Madison housewives happy," he added.

**Better Service Possible**  
"It is a better program. Finally, we did go along with the recommendations set forth by the city engineers. It was the money and Kozielek said, in explaining the delay in funding approval, Madison's request was cut off because of the city's fiscal situation."

A comment by the alderman that most work to comply with the federal requirements was carried by former city civil director Harold T. Fisk, whose appointment was terminated by Mayor Sasyk at the last council session, drew the only noticeable friction between the two former mayor candidates at the meeting.

"Fisk did do the job," Kozielek stated, "and I feel his work was a political move. But that is up to the council," he added. "The mayor has always made appointments and I feel unusual in a move from the floor that city officers doing their jobs be terminated."

Interim Mayor Kozielek said out of order," Mayor Sasyk stated, when the former commented to discuss Fisk's resignation. "I believe you realize this is politics. It has been going on hundreds of years and you are unable to change it overnight," he added.

Approved for installation were lights at ten locations, street lighting in three new locations. Three new lights will be situated in West Madison. Locations approved were Harrison and Beckwith streets; 1800 block, between Third and Fourth streets; rear of Madison Presbyterian Church; between 7th and Eighth streets on Iowa; Fifth and Sixth streets, between Jefferson and one on Second street; West Madison; 2000 McCasland avenue; and relocation of an alley light from 1307 to 1309, between Iowa and Washington.

An \$8,000 maintenance appropriation was approved for providing for payment of a \$5 fee to the city, for any suit proceeded by the city's legal department, and a letter of appreciation was read from Greg Sasyk, a college student member of the Madison Police department during the summer months.

**Woman Injured**  
4:35 p.m. Tuesday at 3134 Nankin road. Both flew off of the car.

Kissel was admitted to St. Elizabeth Hospital with abrasions on the right arm, a fractured chest and pains in the left shoulder. A series of x-rays was taken.

Donald Melvin Mayes, 35, of 1439 Madison street, was injured when a car struck him on the side of his head, while he was walking on the sidewalk near Wallace B. Goode, 224 Lincoln avenue, parked in front of his home at 10:30 p.m. Monday.

Goode's car was shoved into a tree at 2630 Lincoln.

Mayes was treated at St. Elizabeth Hospital for a fractured right knee and abrasions to the right arm. He was released on Monday afternoon.

Clyde Kohnenky, 27, of 1384 Madison street, was injured when a car struck the left rear of his auto of Linda Kramer, 1215 Twenty-seventh street, parked in front of her home at 4:40 a.m. Wednesday. The Kramer car was knocked onto the sidewalk. Kohnenky was charged with careless driving.

**Highway Accident**  
Gerald L. McClure, 39, of Hartford, was injured when his auto struck the auto of Charles Campbell, Gillespie, who was stalled at the exit ramp of Interstate 270 at Route 3 at 10:55 p.m. Monday. Campbell, who was in the auto, had his lights on.

McClure was taken to St. Elizabeth Hospital with a lacerated forehead requiring 11 sutures and was released following a 24-hour observation.

Mrs. Glenda Wilds, 26, of 2513 E. 23rd, was x-rayed and released at 7 p.m. yesterday following a 24-hour observation.

She was a passenger in a car driven by her husband, George Allan, East St. Louis.

**Improving at Hospital**  
Carl C. Allison, sales administration manager of Union Division-Miles Laboratories, remained in St. Elizabeth Hospital. The intensive care unit at St. Elizabeth Hospital. A resident of the Madison Police member of the Granite City Rotary Club. He was admitted to the hospital Friday after he was injured in a car accident. He was released on Monday following a 24-hour observation.

## Chamber Dinner Will Launch Civic Action

The annual Tri-Cities Chamber of Commerce dinner meeting Oct. 29 at St. Louis will serve as the kickoff for a project in which all segments of the local area will be involved in the setting and achieving of community goals, it was announced Tuesday night.

The Chamber board, meeting at the Rotel restaurant, approved the plan. The guest speaker, Dr. Nicholas Nydri, Bradley University director of international studies, will introduce ideas on mobilizing the action for community betterment in his remarks.

J. S. M. Dashwood, Miles Laboratories Union Division president, general chairman of the annual meeting, discussed the planning along with G. H. Sternberg sr., building contractor.

M. A. Wittegrang, director of vocational education in Granite City school district, and Philip Mehel, coordinator of cooperative education, told of progress in developing programs here under which high school students attend classes for half the day and spend the remainder of their time learning a trade or profession at a place of business.

Only brief discussion ensued at the mayor's request until a feasibility survey is completed.

## Auto Stops, Struck While stopped for traffic, an auto driven by Edward J. Hancock, 1811 Venice avenue, was struck by an auto driven by Sharon Hibbs, 3222 S. St. who skidded on wet pavement at 8:30 p.m. Wednesday on Namekiki road at the en- trance of the Bellemeade vil- lage, shopping center. The Hibbs woman was charged with following too closely.

"I think this is perfectly all right," Mayor Sasyk replied. "I will ask Chief Duto to have the officers meet with you a group, I am for using any means by which we can reach a proper decision on this matter," the mayor said.

Krakowiecki said he hoped to have a full report on the committee's findings by Sept. 29.

Federal funds, amounting to \$212,000, have been approved as reimbursement for the city of Madison for repairs made to a sewer break in the main trunk sewer line during this year, it was announced by Third Ward Alderman Ray Kozielek.

**Made Request in March**  
Kozielek said application for reimbursement was initiated last March through the office of Emergency Planning and the State of Illinois. To qualify for federal assistance, it was necessary to receive certification of our civil defense program, the alderman and former acting mayor explained.

"They wanted us to come up with a budget for the program. Finally, we did go along with the recommendations set forth by the city engineers. It was the money and Kozielek said, in explaining the delay in funding approval, Madison's request was cut off because of the city's fiscal situation."

A comment by the alderman that most work to comply with the federal requirements was carried by former city civil director Harold T. ## 35% of American People Within 500 Miles of Region

Seventy-two million potential customers, 38% of the nation's total population, live within a 500-mile radius of the St. Louis metropolitan region, making this one of the nation's prime locations for warehousing and distribution, the Regional Industrial Development Corporation said today in its latest economic report.

Additionally, the report, "Opportunities for Private Warehousing in the St. Louis Area" points out that within that same 500-mile radius, there is located 35% of the nation's total economic activity.

These two major factors, combined with the facts that this area is the population center of the country, and existing barge, truck, rail and air terminals annually handle 70,000,000 tons of freight valued at over \$10 billion, make this an ideal location for industries which depend heavily on having ready access to central distribution facilities, the report said.

The report is one of over 70 major economic studies prepared by RIDC to pinpoint profit opportunities to industry in an effort to expand the bi-state area's total economic base. RIDC serves, in Illinois: Madison, St. Clair and Morgan counties; and in Missouri: St. Louis, Franklin, Jefferson and St. Charles counties and the city of St. Louis.

**Natural Distribution Point**  
With an abundance of transportation facilities radiating to all points of the map, we become a natural distribution point," Charles A. Jones, research director said.

"RIDC is working hard to capitalize on our area's natural advantages. We are mailing this

report to thousands of firms across the country that have a national market and, therefore, are looking for new areas in which to locate distribution facilities and warehouses."

To make the report valuable to out-of-town industrialists who might consider expansion plans here, the report also inventories the major distribution facilities available in the region. It points out that:

1. St. Louis is the second largest trucking center in the nation, with over 100 motor carrier terminals.

2. Local cartage in this area have a unique pick-up service plan that allows a firm to contract for daily pick-up and movement of consolidated shipments to various other modes for linehaul movement.

Over 20 freight forwarders give an added dimension to the area's flexible transportation system. Serving as a major artery to the expanding west and southwest, St. Louis is a focal point for consolidation of less-than-carload (LCL) and less-than-truckload (LTL) traffic for volume shipments.

**Railroad Facilities**  
Fourteen trunkline railroads and five switching lines offer varied services and routes to shippers in the St. Louis area.

The Illinois portion of the Standard Metropolitan Statistical Area (SMSA) contains the second largest rail freight terminal in the nation.

New modern facilities are under construction to expedite future rail movements.

Additionally, the report categorizes the various resources important to a new industry—banking, utilities, mineral deposits, work force, etc.

## Church Group Aids Life-Saving Drive

A volunteer group of St. Elizabeth's Church here has started a local drive to help save the life of a Detroit boy with a kidney ailment.

The youth, Frank Marvretich, was stricken with a kidney disease one year ago and attempts to cure him have been futile. His body has rejected two transplanted kidneys in the past six months and he is being kept alive only with the assistance of an artificial kidney machine.

The kidney machine he is now using belongs to the Detroit Hospital. Because of its demand, it is uncertain how much longer he will be allowed to use it. He needs treatment from the machine every other day. His only hope is to acquire a kidney machine until a successful kidney transplant is made.

A drive is now underway, supported locally by St. Elizabeth group, in which efforts are being made to obtain the machine for him by collecting Betty Crocker coupons.

The General Mills Co. has agreed to purchase a kidney machine for the youth if 600,000 Betty Crocker coupons can be collected. The machine will be turned over to the National Kidney Foundation after Frank has no more use for it.

Friends of the Marvretich family and campaigns in Detroit, St. Louis, Chicago, Pittsburgh and Cleveland have already collected 100,000 coupons, but 500,000 are still needed. Any person with Betty Crocker coupons, can aid the life-saving drive by mailing them in Jerry Dietler, 2131 Orville avenue, Granite City, or by placing them in the box in the vestibule of St. Elizabeth's Church.

## Four Area Students Earn Master Degrees

Four area students have earned master of education degrees with the completion of the summer session at the University of Illinois.

They are Carolyn J. Bertach, 2500 Jerden avenue; Laura K. Falter, 3715 Ruth drive; Sister Mary L. Green, 2118 Edison avenue; and Irene Hackett, 1729 Market street, Madison.

As there is no summer commencement ceremony, preparation of diplomas is begun only after all grades are reported and verified. The diplomas will be mailed about Oct. 16.

## Lions Club Picnic

The Madison Lions Club will hold its annual family picnic Sunday, Sept. 6 at the Arlington golf course picnic area. Barbecued pork steaks, shish-ke-babs, chicken and hot dogs will be served in addition to many other treats. Mel Ozanich is general chairman and Ed Ray Dubish is chief cook. All Lion Club members and their guests have been invited to attend.

## Window Broken

A rock was thrown through a window at the rear of Harris school, Seventh street and Alton avenue, Madison, at 10 p.m. Monday, police reported.

### PTA BOARD WILL MEET AT FROHARDT SCHOOL

The executive board of the Frohardt school PTA will hold its first meeting of the new school year Tuesday, Sept. 5, at 7:30 p.m. at the school. Plans for the PTA meeting Sept. 15 will be completed.

The budget committee composed of Mrs. Sarah Metcalf, president, Mrs. Kitty Bloodworth, vice-president, Mrs. Bloodworth, treasurer, and Mrs. Joyce Tounstaint, ways and means chairman, will review a budget that has been prepared for presentation to the PTA.

### JET SET CLUB MEETS WITH MRS. VARADY

Mrs. Faye Varady, 3305 Blue Bird Lane, entertained members of her club, the Jet Set, Tuesday night. She served a dessert course to Mesdames Doris Berna, Marlene Painter, Jo Marie Bywater and Athalia Bugg.

Activities that had been planned during the summer were discussed, and games were played.

### PRAYER SERVICE

The Mission Prayer Group of First Baptist Church met Tuesday morning at the home of Mrs. Fern Alfoller, 2906 Sunset drive, Mrs. Virginia Head led the opening services.

Mrs. Wilma Hudson read names of missionaries and their birthdays. The hostess gave the devotional from the study book, "The Serious Call of Christians."

Seven get-well cards were sent to convalescing friends. Mrs. Wilma Hudson invited the group to her home, 2140 Grand avenue, for the next meeting and a luncheon was served to those mentioned and Mrs. Iva Olive and Mrs. Pauline Harp.

### BRIDGE CLUB MEETS

The Granite City Duplicate Bridge club met Sunday at the Elks club for singles games. Prizes for the evening went to Fred Nieman of Belleville, first; Al Schaefer of Edwardsville, second; and Mrs. Mildred Branding of Granite City, third. Announcement was made that there will be no meeting Sept. 6 because of the holiday weekend. The club will meet again Sept. 13.

### BERTACCCHI BAPTISM

Brett Andrew Bertacchi, infant son of Mr. and Mrs. Richard Bertacchi, 2441 Kilarney drive, was baptized Sunday afternoon at services held at St. Margaret Mary Catholic Church. Rev. Robert Becker officiated. The Bertacchi's other children are Jennifer Lynn and Ricky.

Brett was born July 14 at St. Joseph's Hospital in St. Louis. Godparents are Mr. and Mrs. Thomas Manning.

### FOLLOWING THE SERVICES, A DINNER WAS HELD AT THE BERTACCCHI HOME. GUESTS INCLUDED THE GODPARENTS AND THE PATERNAL GRANDPARENTS, MR. AND MRS. DICK BERTACCCHI, MATERNAL GRANDPARENTS, MR. AND MRS. JOSEPH KASTELIC, AND MISS JANN BERTACCCHI, AND MISS FRIEDRICH.

Mrs. Sarah Dempsey was elected the club's crown pin as

## Jacqueline Landers Dies; Ex-GC Resident

Mrs. Jacqueline Helene Landers, 45 of Edwardsville, a native of Granite City, died following an extended illness at 10:30 p.m. yesterday at Jewish Hospital, St. Louis, where she was a patient two days.

Prior to retirement last December, Mrs. Landers was employed for ten years as barge coordinator in the Traffic Department at Granite City Steel Co. She was graduated from Granite City high school in 1945 and was a member of the Baha'i World Faith.

Mrs. Landers and her husband, Delbert, were married Oct. 18, 1952. The couple resided in Granite City until 1960. Mr. Landers operated a private detective agency here before moving to the Edwardsville area.

Besides her husband, Mrs. Landers is survived by two teenage children, a son, Ned, and a daughter, Karin, both at home; and her mother, Mrs. Edna Hausfus Parsons of Granite City. Her father was the late Roswell Parsons of Granite City.

Funeral arrangements are given in today's obituary column.

### 'queen of the week.' She also received a fruit basket and a prize.

Mrs. Villa Ridings and Mrs. Joan Meizer each received a prize as a winner in the club's three-month contest.

### Mrs. Helen Wilson and Mrs. Christine Erspamer conducted a weigh-in and called roll.

Others present were Miss Donna Barbee, Mrs. Dorothy Barbee and Pat Wickman.

### SOCIETY

#### WHITTLE BY WHITTLE WELCOMES MEMBER

Mrs. Shirley Sobolewski, co-leader of the Whittle By Whittle club, presided Monday night at a meeting at the East Side Levee office. She led the pledge to the flag and the club pledge. Mrs. Ruth Hubbard gave a treasury report, reported on the last meeting and called roll. Miss Ruth Stover conducted a weigh-in.

A guest, Mrs. Brenda Schoenhardt, was accepted as a new member.

Miss Stover crowned Mrs. Sarah Shemwell, "queen of the week," presenting her with a crown and a selection of fresh vegetables from other club members. All sang "Hail to the Queen."

Everyone disclosed her secret pal for the past month and drew new names. Mrs. Sobolewski led a discussion on rules of Take Off Pounds clubs, and announced there will be no meeting next week due to Labor Day.

Mrs. Elsie Mathenia led closing prayer. Others who attended were Mesdames Mildred Boyer, Gloria Bennett, Carmen Bridick, Sharon Bridick, Rosalie Bronnbauer, Ruth Coad, Virginia Cotter, Julie Green, Beulah Krause, Elsie Mathenia, Linda Miles, Judy Modrusic, Joanne Myers, Dolores Townsend, Phyllis Barton, Evelyn Isaac, Jane Boyer, Diana Ragsdale, Mary Jane Sander, Bea Knuckles, Francis Knobloch, Janice Hildreth, Marilyn Southerland and Norma Ruhl.

#### PTA PLANNING TEA FOR NEW PARENTS

Plans for a "new parents tea" to be given by the PTA of the Niedringhaus School are being made. It will be held Sept. 8 in the school cafeteria. Invitations are being extended to the parents of all new kindergarten pupils and any other new students.

The executive board of the PTA, at a meeting in the home of Ted Macios, president, 1218 Twenty-seventh street, also announced the opening date for the first meeting of the season as Tuesday, Sept. 22.

The officers attending the board meeting were Mrs. Dolores Clonko, first vice-president; Mrs. Helen Powell, second vice-president; Mrs. Elizabeth Edwards, secretary; and Mrs. Mary Fryntko, treasurer. Mrs. Powell has invited the executive board to meet in her home, 3213 Howard Place, Sept. 15.

#### ATTEND FAMILY REUNION IN TAMMS

A number of local people motored to Tamms, Ill., this week to take part in a Sheffer family reunion.

They were Mrs. Shirley Rainwater and daughter, Mrs. Wayne Hankins, 2456 Illinois avenue; Mrs. Richard Hill, 2917 Denver street; and Miss Shelby Hileman and Miss Cathy Johnson, 2127 Illinois avenue. Mrs. Rainwater and Miss Hileman are daughters of the late Mrs. Edith Sheffer Hileman of Granite City, and Mrs. Hankins and Mrs. Hill are granddaughters. About 300 people from throughout the state were present.

HOMEMAKER MEMBERSHIP DRIVE card being discussed by (left to right) Mesdames Marshall McElroy, Madison County Homemakers Extension Association membership chairman, Ed Graklenoff, Richard Johnson and Robert Brave.

## Homemakers Launch Membership Campaign

Large membership cards and colorful ink pens were used to decorate tables for the "Membership Sign-In" theme at the 1970-71 membership drive kickoff of the Madison County Homemakers Extension Association on Monday in the County Extension office, Edwardsville.

Second vice-chairmen in charge of membership from 31 county units, district vice-chairmen and county council members attended the opening program, which set the goal to boost extension membership from the present 1012 to 1100 women.

The Cooperative Extension Service is offered in home economics and agriculture to interested persons both rural and urban as a service of the University of Illinois, a land grant college.

Mrs. Marshall McElroy, Granite City, membership chairman and Madison County second vice-president, formally opened the membership drive for those attending and presided at the morning session.

She spoke on membership qualifications within units explained that units are competing for honors in obtaining the most new members from Sept. 1 to Oct. 31.

Winning unit membership chairmen will receive an all-expense trip to the Illinois Homemakers Extension Federation annual meeting in January at the University of Illinois campus in Urbana-Champaign. Units with six or more new members will be judged winner units.

Mrs. Herman Heberer, District V Director, from Belleville, outlined opportunities available through the organization and challenged the ladies to "sell" Homemakers Extension. Selling points for the members of the homemakers organization were discussed and demonstrated.

Opportunities listed included: sponsorship of 4-H clubs, providing leaders and other assistance; leadership training in offices held and in local members presenting lessons; companionship with other women interested in education, homemaking skills and personal as well as community betterment.

Also cited were benefits in self-improvement through planned lessons in food preparation, nutrition, health, safety, family relations, child development and discipline, home furnishings, flower arranging, tailoring and cultural arts.

Another feature is the craft program which has included pinecone wreaths, hot dish pads, bleach bottle purses and numerous Christmas ideas.

MCKINLEY SCHOOL PTA

WILL MEET SEPT. 8

Mrs. Sadie Bringer, president, presided Tuesday night as the executive board of the McKinley PTA met in the school cafeteria. Mrs. Janet Furman was elected to fill the unexpired term of vice-president; Mrs. Peggy Herzog was moved to a new school area.

Mrs. Bringer reported that the Area Council on Sept. 24 will hold a "plate and mate" pot luck supper at Grigsby junior high school. Those attending from McKinley are to take a vegetable salad.

Mrs. Anita Eftmoff voiced thanks for cookbooks presented to the teachers at McKinley at a spring breakfast.

A proposed budget was completed and will be brought before the members at 7:30 p.m. Tuesday, Sept. 8. The program will include introduction of the new principal, Gary Pfroeder, as well as the teachers and members of the school's safety patrol. The new school nurse, Mrs. Jane Lux, also will address the meeting. Refreshments will be served by the executive board.

Attending were Mesdames Bringer, Sandy Simpson, treasurer; Gladys Templeman, Area PTA representative; Pfroeder, principal and legislative chairman; Mildred Neeth, parliamentarian; Gertrude Laubach, safety chairman; Ed and Barbara Werner, membership co-chairmen; and Darlene Bravley and Lyn Frangouis, co-chairman of hospitality.

WCTU WILL MEET

The September meeting of the Woman's Christian Temperance Union will be held at 7:30 p.m. Friday in the home of Mrs. Owen Willtrout, 529 English Place. All interested are invited to attend.

CHARLES CREATH

### Yale-Bound Student To Be Honored Sunday

Charles Wendell Creath, son of Mrs. Agnes C. Hughes and the grandson of Mr. and Mrs. B. W. Goodwin Jr., will leave next week for New Haven, Conn., where he will begin his college career at Yale University. A June 1970 honor graduate of Sumner high school, he is the recipient of a four-year scholarship.

In addition to his busy schedule while at Sumner, Creath, an accomplished organist, found time to accompany several church choirs in this area. He received his musical training at the Allied Ward Wells Studio and taught in that school for one year.

A special tribute honoring him will be held Sunday, Sept. 6, at 4 p.m. at the Newport Church of God in Christ, Madison, where he now serves as organist. All of his many friends are being invited to attend and share in the tribute to him.

### Three Student Nurses Enroll at St. Joseph's

Three girls from the Quad-City area will begin their nursing education at St. Joseph's School of Nursing at Alton as members of the freshman class. Orientation for freshmen will begin next Wednesday with a get-acquainted welcome party to be held during the evening under the sponsorship of the faculty.

The rest of the week will be devoted to general orientation to the school, hospital and Alton area. Class session will begin for freshmen on Sept. 15.

The students are Miss Mary Sue McKinney, daughter of Mr. and Mrs. Floyd McKinney, 3008 Sunbury avenue; Miss Christine Schoeneman, daughter of Mr. and Mrs. Carl Schoeneman, 18 Nassau street; and Miss Jacquelyn Wright, daughter of Mr. and Mrs. Fred Wright, 1684 Third street, Madison.

### Local Airman Completes School, Home on Leave

AMN Gene Livingston, 19, son of Mr. and Mrs. Ben Livingston, 2625 Adams street, arrived home Tuesday evening from Brooks Air Force Base, San Antonio, Tex., where he completed training as an aeromedical specialist.

Airman Livingston will report to Davis-Monthan Air Force Base, Tucson, Ariz., on Sept. 21. Mr. and Mrs. Livingston's eldest son, Terry, 21, is an Air Force sergeant stationed at Clark Air Force Base in the Philippines.

### Three to Receive Degrees at Carbondale

Three area students are candidates for degrees at commencement exercises Friday on the Carbondale campus of Southern Illinois University. They are:

Michael Lee Reynolds, 2433 Pontoon road, bachelor of science; Pamela A. Sablin, 12 Mercer drive, bachelor of arts; and Jerome Kelly, 163 Viola drive, Madison, bachelor of arts.

### Enrolls at Evangel

Patricia Ann Stajduhar, daughter of Mr. and Mrs. Tony Edward Stajduhar, 2087 Thirteenth street, has been accepted for enrollment at Evangel College, Springfield, Mo., for the fall semester. She is a graduate of Granite City high school. The four-year college is associated with the Assemblies of God.

## Now . . . you can start the Young Readers Nature Library

Life's Nature Library is written, edited and especially designed for children of elementary and early high school age. Each volume helps your children at school, because it's written by teachers and professors especially for the school curriculum. It also helps them at home because its pictorial layout makes learning not just informative, but entertaining as well. You'll enjoy reading Life's nature series too. After all, it's just a young reader's version of a new sophisticated adult nature library.

**THE BIRDS**  
Here's the whole feathered world, with close-ups of everything that flies, some that can't, one that can go backwards, and many that have disappeared.

**THE SEA**  
Four-fifths of all the world's living things live in the sea... from 9-foot worms to fish that "right up" their bodies, underwater mountains—it's all in this book.

**THE EARTH**  
What is it that makes this planet apparently different from others we know? Here are clues to earth's ability to support intelligent life.

**EVOLUTION**  
Darwin's famous theory, the puzzles of heredity, the struggle of each living thing to adjust to its environment—all explained in easy-to-follow language.

**THE FISHES**  
More than an underwater tour, the fishes focus on the conservation problems in the waters of the world, showing the pollution dangers we must face up to.

**THE MAMMALS**  
The bigger they are, they might still be mammals... on up to the 130-ton blue whale. Man is a mammal, and so is a deer! How show that weighs less than a mole.

**THE DESERT**  
Not at all barren, the desert has its own special animal and plant life, all uniquely adapted to live under extreme of temperature and food supply.

**EARLY MAN**  
"Early Man" gives your child the opportunity to trace the development of mankind, from the early hominids of 70 million years ago to the modern man of today.

**THE PRIMATES**  
The gorilla... just one of many primates your child can capture in his mind as he explores the world around him.

**THE REPTILES**  
Some are ugly, some are beautiful, some make great pets, and some are killers. More than 6,000 different kinds, expertly detailed in this book.

SIXTH BIRTHDAY

Phyllis Andrews, daughter of Mr. and Mrs. Phillip Andrews, 2561 Washington avenue, celebrated her sixth birthday with classmates and friends at a party given by her parents in their home Tuesday.

The honoree, who entered the first grade at Webster school Tuesday morning, received many gifts. Games were played and prizes were awarded. The remainder of the afternoon was spent dancing to recorded music.

The hostess used a birthday motif of orange, pink and yellow, including streamers, balloons and a decorated cake with an "Alice in Wonderland" theme. Each guest received favors.

Cake, ice cream and beverages were served to the honoree, her sister, Linda, and Natalie, Cathy and Cindy Jenkins, Tammy Cullter, Annette Carey, Kelly Stotz, Denise McEwen, Jack Krug Jr., and Patricia Cohl.

## Glenview & East Granite

MRS. DORIS STOTZ  
2571 Hodges Avenue  
876-8044

Mr. and Mrs. Lorenzo Di-Marco, 2307 Kirkpatrick Homes, entertained visitors in their home during the weekend. Mr. Di-Marco's brother and sister-in-law, Mr. and Mrs. Douglas Davis of Ramsey, Ill., and the Davis's granddaughter, Tammy Davis, four years old of Vandalia, Ill. Michael Singleton and Walter Singleton, both of Collinsville, also visited in the home of their grandparents.

**FOURTH BIRTHDAY**  
Mr. and Mrs. Gordon Beswick, 2515 Hodges Avenue, held a party in their home honoring their daughter, Lisa Ann, on her fourth birthday. A Mickey Mouse theme was utilized in the table appointment, accented with multi-colored crepe paper streamers and balloons. A birthday cake was adorned with roses and a doll figurine. At each place setting were favors and party hats. Following the opening of gifts, games were played, with all the guests receiving prizes. Special prizes went to Linda Robelt, Karen Oliver and Kelly Stotz. Cake, ice cream and a beverage were served to the honoree, her brother, John, grandmothers, Mrs. Pauline O'Dell and Mrs. Beulah Blasson, aunts, Mrs. Rebecca Oliver and Mrs. Beswick, Cathy and Karen Buckingham, Laura Wertha, Mark Howell and those mentioned.

Miss Vickie Yetter, 2812 Iowa street, entertained several of her friends at a slumber party this week to celebrate their softball team winning a play-off game with St. Elizabeth at Wilson Park. The team sponsor is Diamond Plating Co. The hostess served dinner and a midnight snack to her overnight guests, Debbie Gerkin, Janet Janel, Janice DeWitt, Connie Ripper, Rose H. Jameson, Maureen Andria, Cathy Ritchie, Sue Carbaugh, Melinda Henson and Donna Sanders.

Patrick Smoot, son of Mr. and Mrs. Frank Smoot of Iberia, Mo., left for his home Monday following a three-week vacation spent visiting his aunt and uncle, Mr. and Mrs. Ernest Gray, 2806 Jerden Avenue, and their children, Beverly and Tony. The Smoots are former residents of the Quad-Cities. While here, he was guest of honor at a dinner at the Tri-Mor 300 Room featuring Ben's club skits and also participated in several activities at Wilson Park.

The Early Bird bowling league met Monday at Bowland to discuss the new season opening Sept. 14 at 9:30 a.m. Presiding were newly-elected officers: president, Mrs. Dorothy Copeland, and secretary, Mrs. Vivian Davis. Max Legate spoke on advantages of a split season and the members voted to accept. Mrs. Jo Ann Jarrett and Mrs. Doris Stotz were appointed as chairmen of the annual Christmas party and Mrs. Davis read new rulings by the Bowling Congress.

**HOME AFTER SURGERY**  
Mrs. Blanche Scantling, 2656 Lincoln Avenue, returned home Monday from the Missouri Pacific Hospital, St. Louis, where she had been a patient for several weeks. She is recuperating from major surgery performed there last week.

Mr. and Mrs. Ronald Eaton, 2409 East 25th Street, and their children, Mike, Ruth and Debbie Bird and Ronnie Eaton, arrived home Monday from a camping trip in Missouri. The family participated in a River Bluffs Girl Scout Council-sponsored "work and recreation" project at Camp Butterfly, Farmington.

They also went to Arthur, Ill., where they viewed Amish transportation and a d. fairs; and Arcadia, Ill., where they toured an Indian Village, deer farms and historical landmarks. They were accompanied on the Arthur trip by Davil Hill, also of Granite City.

Mr. and Mrs. Vincent Scrum, 2650 Lincoln Avenue, entertained as guests in their home Sunday evening former residents, Mr. and Mrs. John Heffernan and daughter, Julie, who had just returned from a two-week vacation in Hawaii. In Honolulu, they attended the national convention of the Association of Letter Carriers. Mrs. Hope Heffernan, president of the St. Louis auxiliary, and her husband were introduced to U.S. Senator Hiram Fong, who addressed the convention. They visited in the homes of friends and relatives and toured the islands of Kauai and Maui. Enroute home, they visited in Los Angeles, Calif.

### More Student Loans Seen at Carbondale

Due to increases in tuition and room and board the Student Work and Financial Assistance office at Southern Illinois University's Carbondale campus is expecting more students will seek work or financial aid.

The amount of federal funds for the Federal work-study program, Educational Opportunity Grants program and the National Defense Student Loan program is expected to be the same for the current fiscal year, July 1, 1970-June 30, 1971 as it was for the past year.

Frank C. Adams, director of the Student Work office, said however, the outlook for financial aid in the 1971-1972 school year is a lot better than it is for this year.

In view of the rising costs of higher education and the increasing numbers of students seeking financial aid, it is necessary to commit federal funds to individual students on a priority basis, Adams said.

This priority is established by the Student Work office and will be implemented by Marion B. Treece, coordinator of federal programs.

MISS PATRICIA HAYES

### Professor Appointed To McKendree Post

Dr. Ronald E. Benson has been appointed assistant professor of philosophy at McKendree College beginning with the fall term, according to Dean Emeritus, Owen.

Dr. Benson is a graduate of Michigan State University, receiving his bachelor of arts in 1958 and the doctor philosophy degree last March. Drew University Theological School conferred the Bachelor of Divinity degree on him in 1961.

### 4-Year Scholarship to Miss Patricia Hayes

Patricia Marie Hayes, a member of the National Honor Society at Granite City high school and a June 1970 graduate, has been awarded a four-year General Motors college scholarship by Millikin University.

She is one of six children of Mr. and Mrs. Paul W. Hayes, 2814 Idaho avenue. She will major in industrial engineering and hopes to make a career in computer systems analysis or a related computer field.

Miss Hayes' leadership qualities and scholastic achievement in high school were instrumental in her selection by Millikin University for the coveted award. The scholarship is one of 293 to be awarded this year by over 200 colleges and universities throughout the country as part of GM's overall program of support for higher education.

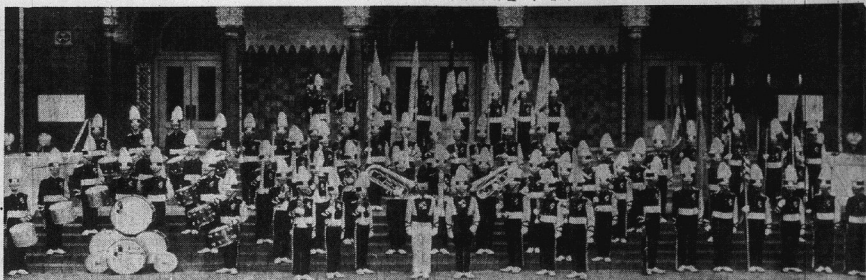

In all, nearly 1200 students are attending colleges with such assistance. Each scholarship is valued at from \$200 to \$2000 a year depending on the need of the student. All private colleges participating also receive annual grants-in-aid from GM of \$500 to \$600 per scholarship, based on tuition costs.

In addition to her scholastic accomplishments, Miss Hayes participated in the Girls Athletic Association and the Spanish, social studies and science clubs.

### Named to Dean's List

Ronald James Sanders of Granite City was among 211 summer students at Northwest Missouri State College at Maryville to be named to the dean's list for academic excellence during the recent eight-week session.

## Black Knights Win Trophies on Tour

The Black Knights Drum & Bugle Corps won three trophies and two flags at the Illinois State Fair at Springfield, according to results announced this week.

The corps, which includes members from the Quad-City area, won first in the drum and bugle corps category, having the highest score of the day in winning afternoon preliminaries and evening finals, second in color guard and highest in general effect.

Gov. Richard B. Ogilvie attended the afternoon performance and Secretary of State Paul Powell, who helped with the awards in the evening, announced that the Black Knights will represent the state in national competition.

The State Fair was a stop on an annual tour taken by the Black Knights. They stopped at Momence, Ill., where they performed in the gladiola festival parade and contest where they won over a number of other groups from the Midwest. They also captured the G.E. trophy awarded for performance having the best general effect.

In VFW Parade Leaving directly from Springfield, the corps went to Miami Beach, Fla., where they participated in the national VFW

parade. The following afternoon the group competed in a preliminary contest in Flamingo Park, being one of 12 corps from about 80 from throughout the U.S. to qualify for evening competition held in the Orange Bowl.

The Black Knights were treated to a steak dinner in Miami Beach following the contest. Forrest Creson, their director who was hospitalized and unable to make the trip, made arrangements for the dinner through Elmer Stertman, assistant director, in celebration of their qualifying at the nationals, as it had been eight years since the group accomplished the feat.

On the return trip, the Black Knights stopped in Chattanooga, Tenn., where they were honored by the Alhambra Shrine temple with a swimming party and dinner. Three television stations were on hand to cover a full dress exhibition they presented.

**Take First Place**  
Before leaving on the tour, the Black Knights took first place in the Belleville Shrine contest and were presented with a trophy. They also retained a traveling trophy from the previous year.

Granite City members of the Black Knights, also members of Tancred chapter, Order of

DeMolay, are Kevin Nicol, lead soprano bugle, soloist; Mike Adams and Don Corbett, lead soprano bugles; John Gagich, snare drum; Steve Lasslo, bass drum; and Cordell Burnett, cymbals.

### Miss Senak Receives \$2500 Library Award

Miss Paula Senak of Granite City has received one of three scholarships of \$2500 each for graduate work leading to a master's degree in library science. It was announced today by Paxton P. Price, librarian of the St. Louis Public Library.

She will attend the University of Missouri graduate school of library and information science beginning in September. Miss Senak, a graduate of Fontbonne College, taught English at Riverview Gardens high school for two years after receiving her degree in English in 1968.

Upon completion of her master's degree work, she will be employed in the St. Louis public library system for two years.

## Honor Camping Society Plans Fall Conclave

The Cahokia Lodge, Order of the Arrow, will hold a fall conclave at Camp Sunnen, near Potosi, Mo., Sept. 18, 19 and 20.

Over 300 men and boys from the Cahokia Mound Council, Boy Scouts of America, which takes in southern Madison county and Bond county, will gather for a weekend of fun, fellowship and training in the purpose and functions of the Order of the Arrow. The order is a national scout honor camping society within the Boy Scouts.

Training sessions for members will be held in ceremonies, summer camp promotion, membership elections, functions of committees, lodge leadership and the role of the adult member.

Twenty-five candidates for membership will be inducted. Approximately forty members will be elevated to Brotherhood membership, and two Brotherhood members will receive the highest award given in the order, that of the Vigil Honor.

Bill Fox of Madison is vice-chief for the Quad-City area, which has about 75% of the total membership.

All members wishing to attend are reminded that only advance reservations will be honored and these must be made at the Boy Scout office, 1338a Niedringhaus avenue, no later than 5 p.m. Sept. 14, according to Tom Hooks of Venice, the Order of the Arrow lodge secretary.

## SIU Staffer Named To Space Committee

Jefferson F. Lindsey Jr., for the past three years assistant to Southern Illinois University President Delyte W. Morris, has been named to the National Aeronautics and Space Administration's earth orbital space station committee.

Lindsey was appointed by NASA Administrator T. O. Paine to help plan for utilization of a new space station. Paine explained in a letter that the fundamental goal is to provide in orbit a diversified research and experimental facility affording a wide potential for use of the national and international technical community.

Lindsey, who has served as assistant to the president for computer operations and institutional research, has requested and obtained reassignment at SIU to faculty status, and starting this fall will be a full professor in the department of guidance and educational psychology in the college of education. Duties will include teaching graduate classes in statistics, psychometrics, design of experiments, and related subjects.

## Three Girl Scouts Return from Trip

A patrol of eight girls, including three local girls, Miss Phyllis Barnes, Miss Nancy Rodge and Miss Linda Gram, representing the River Bluffs Girl Scout Council, returned Wednesday from a trip in which 264 girls from every state in the union and Puerto Rico participated.

Miss Barnes is the daughter of Mr. and Mrs. Albert Barnes, 2029 Dale avenue; Miss Rodge is the daughter of Mr. and Mrs. David Hodge, 2118 State street; and Miss Gram is the daughter of Mr. and Mrs. Richard Oram, 2004 Wilson avenue. The event, "Panorama City, U.S.A.," was sponsored by the Girl Scouts of the Chicago Council.

Panorama City was an experience in self-government by the girls, all seniors or ninth grade cadette scouts. The girls were grouped into "wards" and after two days of campaigning and election, were self-governed by an alderman from each ward, a mayor, Scouts brought copies of their own community newspapers to show hometown events. Citizens of Panorama City lived in Camp Juniper Knoll, the Girl Scouts of Chicago resident camp located in Elkhorn, Wis.

Once the city council and mayor had been elected, all programs for the "city" were organized through the council. There were coffee house programs, tours of a boat factory, a riverboat trip on Lake Geneva, horseback riding, and visits to the "city's" "Little Switzerland," Mt. Horsh, "Little Norway" and the Cave of the Mounds.

The River Bluffs Trailblazers patrol included girls from DuPont, Highland, Belleville, East Alton and Granite City and emphasized outdoor skills and hiking which also included an overnight trip. Miss Oram was assistant leader for the Trailblazers. Miss Oram is also president, and Miss Hodge, vice-president of the senior planning board of the council.

# Best Way Yet to Serve and Store Milk

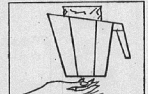

## New Bag-O-Milk

Compact Meadow Gold Pitcher-Pak

quart poly bags store milk flat in your refrigerator...get cold quicker...keep milk fresh longer! Three one-quart poly-paks of milk come in a big, strong outer bag.

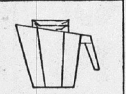

No risk of spilling—Pitcher-Pak bags are strong, stack flat, save space, keep milk fresh longer! Easier to dispose of, too.

Place one bag in the special Pitcher. Tap the pitcher two or three times on the bottom so the bag settles. But use this special Pitcher only.

Cut off corner of the sealed pouch; this forms a perfect, no-drip pouring spout. Milk stays fresher, too.

To reclose after each use, just fold down the top of the bag; it really is the most convenient way ever to keep and serve milk!

Each big outer bag contains 3 quart-polybags...Meadow Gold Homogenized or Viva 2% low-fat milk.

## Construction Career Scholarships Offered

The second annual construction scholarship program has been announced by the Associated General Contractors Education and Research Foundation to aid high school and college students in pursuing careers in construction through a college program.

Five scholarships ranging up to \$4000 will be awarded in March at the annual convention of the AGC in San Diego. The scholarships will be for \$1000 per year and will be renewable each year for a maximum of four years of undergraduate study providing the recipient maintains adequate grades and is employed during the summer in some aspect of the construction industry.

Awards will be based on written applications, indicating the applicant's interest in a career in construction, financial need, scholastic qualifications and extracurricular activities. Applicants will be selected by the foundation's board of directors.

Applications may be obtained from Southern Illinois Builders Association, 7623 West Main street, Belleville, Ill. 62223. The deadline for the receipt of applications is December 1.

## 4-H Veterinary Science Popular with Youths

Science "turns kids on," 4-H leaders claim, especially when science deals with animals. And the leaders point to the more than 30,000 4-H members actively participating in the national 4-H veterinary science program to support their claim.

One of the "new look" programs in 4-H, veterinary science starts with the normal animal and treats the whole gamut of animal health. The young people, urban and suburban as well as rural, study their own pets and other animals, explore careers and consider safeguards of public health.

Supervised by the Cooperative Extension Service, the young scientists carry out a variety of activities individually and in groups. A group in Michigan assembled the skeleton of a horse. Young people in Georgia annually help with rabies clinics throughout the state.

New Jersey and Pennsylvania 4-Hers have visited animal disease diagnostic laboratories and accompany veterinarians on their calls. Others have found new interests and opportunities caring for animals in local animal hospitals.

And 4-H participants have come up with a new vocabulary ranging from abomasum (fourth division of the ruminant's stomach) to zoonoses (diseases transmissible between man and animal).

He said, "although 4-H veterinary science is a natural companion program for 4-Hers with livestock and poultry projects, it can be equally interesting to youths whose environment limits its animal ownership to pets or to no animals at all."

Mindrum also complimented parents, veterinarians and other persons interested in animal science who are serving as volunteer leaders. Through their efforts, he noted, young people are getting first-hand opportunities to learn about science in interesting and practical ways.

## Assumption Theatre Planning Four Plays

The 1971 season of the Assumption high school theatre department will include drama, comedy and a musical, according to Don Boevigsh, director.

In its third year, the theatre department season has been expanded to include four plays.

The opening production on Oct. 16, 17 and 18 will be Neil Simon's "Barefoot in the Park." This will be followed by "Inherit the Wind" in December, "You Can't Take It With You" in February and "Hello, Dolly!" in April.

Main roles in each production will be taken by Assumption students. Female roles are open to girls from throughout the Metro-East area.

Tryouts for female roles in "Barefoot in the Park" will be held at Assumption on Tuesday Sept. 8, from 7 to 9 p.m., and on Wednesday, September 9 from 2:30 to 5 p.m.

## SIU-SW Student Named To Youth Conference

Larry Sumner, student body president at Southern Illinois University - Southwestern, has been named as task force co-chairman of the White House Conference on Youth. He will be co-chairing the task force on the Draft and National Service.

Sumner, along with other members of the task force, will be meeting this weekend in California to plan the structure of the 1971 conference. The conference itself will be held in late February next year.

He said the meeting in February will be designed to bring together the problems of youth facing the draft and the efforts various institutions have made in alleviating some of these problems.

## Public Aid Serves Fewer, Spends More in June

Public aid expenditures for Madison County during June showed an increase in public aid costs, but a decline in the number of persons served during the month, according to a report by Harold Swank, Illinois director of public aid.

In May, \$980,270 was distributed to 11,889 recipients in Madison county compared to \$885,482 distributed to 11,701 persons during the month of June.

Old age assistance amounting to \$153,968 was paid 1335 persons in June and \$222,426 was distributed to 7711 persons for aid to dependent children. Blind assistance served 36 persons with \$3191 and 1249 persons received a disability assistance amounting to \$186,133. General assistance served 1970 persons with a total of \$26,765.

The decrease in the number of persons served in June is in contrast to the trend shown by allotments at the state level showing 8882 persons were added to the public aid rolls. Swank said that during June the state's public aid rolls reached 642,936 persons, 102,411 higher than for the same month a year ago.

Total June expenditures statewide were \$56,472,866, according to Swank, an increase of \$27,691 over May and an increase of \$13,966,707 over June 1969.

## Dixon Charges High Budget Caused New Tax

State Sen. Alan J. Dixon of Belleville, Democratic candidate for Illinois state treasurer, campaigning this week in Collinsville, said the doubled cost of state government imposed by the Ogilvie administration was the direct cause of the new state income tax and all other tax increases assessed since 1968.

"The Ogilvie budget for the first two years of the administration totals more than \$6.5 billion," Senator Dixon said. "That's more than twice the size of the last budget submitted by the Kerper-Shapiro administration which was \$4.7 billion."

"On Aug. 26, last Thursday, Illinois observed 150 years of statehood," the senator said. "For the 150 years before this administration took office, the largest budget ever approved by any legislature was the \$4.7 billion for 1966 and 1967."

"In other words," Senator Dixon said, "it took 150 years for Illinois to reach the level of a \$4.7 billion budget, but it only took the Ogilvie administration two years to double that budget," he said.

**Measure of Relief**  
The new state income tax was intended to offset taxpayers some measure of relief in their personal and real property tax bills, the senator reminded.

"But has it?" he asked. The Ogilvie administration has been collecting that income tax for two years and rebates have been going back to some taxpayers. But in my travels throughout Illinois, I have not heard of any great relief being offered our citizens as the present governor promised in his 1968 campaign."

Senator Dixon said there is a huge inflation steadily draining away the average citizen's purchasing power. "If you don't make 12 per cent more now than you did in 1968, you've had a decrease in your income," he said.

Senator Dixon said his staff is now collecting data from the U.S. Department of Commerce which shows that in Illinois, an average family of four with an annual income of \$7,500, pays about 44 per cent of that gross income for federal, state and local taxes.

## J. L. McDonald Attends Bank Training Session

John L. McDonald Jr., Granite City Trust and Savings Bank, was among 1,148 student bankers from 39 states and several foreign nations who have completed the annual two-week residence session of the 28th annual Graduate School of Banking at the University of Wisconsin in Madison during the late summer.

The school, sponsored by the Central State Conference consisting of the banker's associations of 16 midwestern states, requires attendance for two weeks each year for three years for graduation. A total of about 445 seniors receive their diplomas at the school's 1970 graduation exercises Friday night, Aug. 28. The Graduate School of Banking is one of the many schools, short courses, and conferences sponsored annually at the University of Wisconsin as education services for all citizens.

## To Attend W. T. Grant Management Course

Stephen P. Ash, assistant manager at the W. T. Grant Store, 20 Nameoki Road, has been named to attend a five day training conference with Grant management executives in New York commencing Sept. 13.

Sixty store management trainees representing Grant stores in 22 states will attend the 98th conference which is the culmination of their management training program. The program has guided them through all phases of retail store operations in preparation for their assignment as store managers.

More than 2,240 young men have successfully completed the Grant store management program during its 20 year operation. The company presently has 1,974 men in its training program.

The need for well trained and competent managers has increased dramatically with the company's growth rate. In 1960, W. T. Grant annual sales topped the half-billion dollar mark for the first time.

Now, ten years later, annual sales have passed \$1.4 billion dollars, placing the company among the few general merchandise retail companies with more than one billion dollars in annual sales. This sales growth has been achieved by opening new stores and enlarging existing stores in communities throughout 44 states. Currently there are more than 1,100 Grant stores serving customers from coast to coast.

## Offer Film Series at Washington University

Washington University and the St. Louis Film Art Society have announced their 1970-1971 series of special films, set for Oct. 4-March 14.

The St. Louis Film Art Society, organized in 1944 and sponsored by The School of Continuing Education, is an informal association for the study of artistic, social, historical and educational aspects of the motion picture.

On the basis of an established membership group, with a sufficiently large and regular audience, the Society is able to exhibit outstanding films not ordinarily available at commercial theaters. The films selected are for the adult film-viewer.

The special interest film series is held Sundays only at 2:30 p.m.; series subscription for six admissions is \$4. This series will be held at Steinberg Auditorium, Washington University.

A regular film art series Sept. 25-May 9 is held on Fridays and Saturdays at 8:15 p.m. and Sundays at 2:30 p.m. at Brown Hall Auditorium, Washington U. The series subscription is \$6.

For the complete program listing and subscription order form, the public may write The School of Continuing Education, Box 1069, Washington University, St. Louis, Mo. 63130.

## Page Stresses Safety for Students as Schools Open

With the opening of schools for the fall term, Ray Page, Illinois Superintendent of Public Instruction, has asked all Illinois school administrators and school board members to stress safety throughout the state for the well-being of every student.

In a letter to the superintendents of educational service regions and superintendents of schools, Superintendent Page said, "Another school year is about to begin throughout the State of Illinois. Our most important asset, our children, will once again be traveling between home and school. Again this school year I ask each of you to stress safety, whether a child is walking, riding his bicycle, or being transported by family car, a public or school bus."

Superintendent Page asked that every effort be made to remind "parents and all drivers of the need for extreme caution during the hours when children will be on the streets and the roads of Illinois traveling between their home and their school." Superintendent Page said, "Safety is no accident. Safety is being constantly alert."

Superintendent Page urged all administrators and school board members to review Section 29 of the Illinois School Code carefully. He said, "The rules and regulations of the Office of the Superintendent of Public Instruction were designed and are constantly evaluated and updated to promote the well-being of every child in Illinois. It is important to follow these regulations in transporting children to schools."

Part of Section 29 of the Code should be pointed out to Illinois drivers as a reminder. The Code says, "The driver of a vehicle upon a highway upon

## Supervisory Courses Offered to Foremen

A fall program of management and supervisory development courses for greater St. Louis firms was announced today by Robert F. Lee, executive director of the Greater St. Louis Branch, American Association of Industrial Management.

Thirty courses, beginning the week of Sept. 14, cover the range of supervisory training from "fundamental of supervisory principles" to "management of men and women at all levels of management annually enroll in the short-term, lecture-discussion type courses. Courses are held once a week and continue for ten sessions. Enrollment is accepted from any area firm; they need not be members of the Association but there is a tuition rate differential between members and non-members.

Courses open to area managers and supervisory men and women are: fundamentals of supervision, supervisory principles, supervisory psychology, motivation, supervisor-foreman as a trainer, effective speech fundamentals, free enterprise economics, practice labor law, basic materials handling, blue print reading and inspection, basic accounting and cost control, basic quality control, intermediate quality control and mastering management principles.

A listing of courses, with time, day and location of sessions, plus a description and outline of each course, is available from the American Association of Industrial Management, 2375 Hampton.

## Industrial Management Courses Planned Here

Industrial management classes designed for industrial foremen will begin Sept. 21 at Granite City and Alton high schools in a program sponsored by the technical and adult education division of Southern Illinois University-Southwestern.

Registration may be made Sept. 10 from 8 a.m. to 4 p.m. and 6:30 to 8 p.m. at Granite City high school in the adult education office, room 128A, and from 6:30 to 8 p.m. at the SIU-SW campus.

Tuition is \$18 for each course except speed reading which is \$12. The courses are offered in cooperation with high schools and area manufacturers' associations.

Requirements for the industrial management certificate are satisfactory completion of eight approved courses. Five of the eight courses required are effective speaking, industrial report writing, practical psychology, the supervisor and his job, and any of the following: current labor law, economics of industry, Illinois labor law and labor management relations.

It is not a requirement that students complete the certificate program within a prescribed period of time. Special arrangements will be made for persons working rotating shifts.

## Savings Bonds Now Pay 5 1/2%

Residents of Illinois and American citizens everywhere who own or are buying U. S. savings bonds are in line for higher interest on their bonds. The increase, in the form of a 1/2% bonus, raises the effective interest rate on new savings bonds from 5% to 5 1/2% when held to maturity.

Clarence S. Sochowski, north central market director for U. S. savings bonds, has noted that the bonus applies not only to new issues sold on or after June 1, 1970, but also to older bonds as well, so there is no advantage in redeeming outstanding bonds to buy new ones.

"I think U. S. savings bonds are one of the greatest self-help opportunities available to us in Illinois. Revenue from savings bonds helps the federal government finance highways, recreation areas and protection of our environment," Sochowski said. "We can see the benefits all about us."

"And bonds traditionally are treasured family assets because they help pay for children's education, new homes and cars, vacations and weddings. Bonds provide timely assistance in unexpected family crisis."

He pointed out that the 10 million Americans who own U. S. savings bonds regularly enjoy other direct benefits.

"The interest paid is not subject to state or local income and personal property taxes. This new rate increase, coupled with their tax advantages, makes savings bonds especially useful."

He urged Illinois residents to contact their employers or their banks to take advantage of the new savings bond bonus by increasing their payroll savings or bond-a-month participation.

"Savings bonds enable us to demonstrate, in a most positive manner, faith in our country while helping to provide for our own financial security," he concluded.

## DeRuntz Grandsons At Westminster

John and Joseph Ray Windisch, sons of Mrs. Mary A. Windisch of Sukran, Okinawa, formerly of Granite City, and grandsons of Mrs. Helen DeRuntz, 2145 Grand avenue, and the late Joseph T. DeRuntz enrolled this week at Westminster College in Fulton, Mo.

The two youths, who enrolled as first-year students in the college's 120th consecutive freshman class, were graduated earlier this year from Kumbaski high school, Okinawa.

Both brothers were active on high school athletic teams, with John also serving as president of the school Letterman's Club and Joseph as vice-president of the same group. The latter youth also was elected and served as senior class representative.

Westminster College, a liberal arts college for men, provides an open forum-type atmosphere for discussion and investigation into varying subjects of concern with majors offered in 23 different fields.

Accredited by the North Central Association of Colleges and Universities, Westminster offers students an innovative grading system and a three-track graduation requirement plan in accordance with its philosophy of maximum student freedom in choice of academic pursuits.

The college also holds membership in the Union for Experimental Colleges and Universities enabling it to seek the newest and finest methods of higher education for today's youth.

## Would 18-Year-Olds in College Towns Control the Local Offices?

By MEG KUNKEL  
Student Reporting Project, University of Illinois

The possibility that 18-year-olds may get the vote under a new Illinois Constitution or under federal legislation has concerned Illinois mayors in towns where the college students outnumber or are close in number to the present registered voters. Mayor Charles Baugh of Normal, home of Illinois State University, said there are 15,000 students on campus and, as a bloc, they might be able to control the city council and elect government officials. "I think students would try to elect a mayor and city council members. I am sure they have some ideas they want to foster and would have to do so by having a majority of the city council," Mayor Baugh said.

Mayor Max Coughlin said that although he feels an 18-year-old vote will pass, he is opposed to it. Eastern Illinois University students are voting in local elections in Charleston. "I would be opposed to having college students 18 and over unless they will register and intend to make their home here. We are citizens here, whereas college students are not," he said. "College students could swing elections for selfish reasons, and it could be done because students can organize better than regular voters," he added. "But," he added, "do they understand the problems of the local city to vote responsibly?"

Carbondale Mayor David Kane was the only college town mayor who came out enthusiastically in favor of students voting in local elections. "It is the only hope we have of changing the system as it stands now," he said.

Saying it would definitely affect elections of local officials, Mayor Keene said, "It is the only hope we have of changing the system as it stands now." He said he did not know why anybody would fear young people making a bloc to vote, they would vote as individuals. "If the voting age were lowered in Carbondale by 1971, there would be almost all new voters," he said. "In 1973 and that is what elected officials fear," Mayor Keene said.

He also said that if Southern Illinois University students voted in Carbondale, they would elect their own members now registered in the town. "A low percentage of people vote, and if students came in a bloc to vote, they would smash the others," Mayor Keene said.

According to Russell Good of Macomb, the home of Western Illinois University, said that he favors extending the franchise to the 18- to 21 age group. "It is the only way we can get the 18-year-old vote, before dealing with these issues," Tomel said.

He added that the constitutional convention very clearly favored the 18-year-old vote. On the first reading on lowering the voting age, the convention voted to put it into the main text by a vote of 88-1.

But many favoring the 18-year-old vote did not feel it should be put in the main text of the constitution, Tomel said, for fear that the whole constitution could fall because of this one item.

On the second of the three readings, the vote was 75-28 with three passing to present it as a separate submission. Voters can accept the main part of the constitution but vote against lowering the voting age if they wish.

According to Tomel, the executive committee of presenting the 18-year-old vote to the ballot of the constitution in some form.

## GC Homemaker Already Liberated

To the Editor:  
I am a homemaker and on Wednesday, Aug. 26, (Women's Liberation Day) I was free to do as I wished.

I chose not to listen to radio or TV for I am against the movement.

Since I had only routine household duties on that day, there was plenty of leisure time for pursuit of hobbies.

Later, I also had free time for listening to my husband's and children's problems.

Lady Luck was with me at dinner time, also, for there was plenty of food left from the previous day's cooking. Who needs more liberation than I?

Down with all this talk about "feminine mystique." Women have a natural instinct to care for others; they also must be practical, sensible and moral.

It's important, too, for women to have the necessary time for teaching their children these same good traits in order to safeguard the future generations of our country.

PAST DEFICITS HANDICAP TO FEDERAL GOVERNMENT  
To the Editor:

After the long years of spending for both "guns and butter," the American people have awakened to the hard fact these expenditures have been charged to their accounts and the money to pay for this spending spree must come from their taxes.

The total deficit for the period of 1960-1968 was \$57 billion, \$25 billion in fiscal year 1968 alone, about half of what it was in fiscal 1968 and only 6% of the total federal budget.

PRAYER FOR 'SWORDS INTO PLOUGHSHARES'  
To the Editor:

The family of Specialist-four William E. Barritt, who died in Vietnam Aug. 14, express deep appreciation to Mr. H. H. Barnes and the Press-Record for the fine coverage given about the injury and death of Spec. Barritt.

We do not know of another hero that has given such a noble example of a soldier boy, dedicated to give his service and even his life for his country.

We feel no bitterness toward the boys who shot down Bill's helicopter, as they were under orders from their government.

Our prayer is . . . and they shall bear their swords into ploughshares, and their spears into pruninghooks; nation shall not lift a sword against nation, and neither shall they learn war anymore."

Spec. Barritt, as was his wish, was laid to rest at McClinton's Chapel, Shady Grove Community Route One, Philadelphia, Miss. There were fully 150 military honor guards and soldiers from Fort Rucker, Ala., Aug. 25.

## Ability, Advancement of Premier of Israel Shows That Some Women Are Truly Liberated

All Quad-City women are supremely happy with their lot in life, right?

We won't leap to so sweeping a conclusion as that, but it does seem that local women associated with a great deal more equality than those in some communities on "liberation day."

The 50th anniversary of the granting of voting rights to the feminine gender.

Although a long list of inequities does exist and needs to be corrected, the status of women which has been the subject of a major conference at SIU-SW Sept. 26—appears to vary greatly with the individual and her particular situation and state of mind.

One local resident reports in today's Forum that she is "already liberated" and this undoubtedly is true for many. Della Reese, popular television performer, comments, "I've been free so long I don't even understand what is meant by liberation." Others, with identical situations, see unacceptable conditions and are dedicating much time to remedying them.

True equality of opportunity follows, as day inevitably follows night, public recognition that an individual or group is not only equal but in some ways much better than a supposed superior group.

The whole subject of equality for women took on a new meaning for us when we began observing Premier Golda Meir of Israel. She is "only" a woman and, according to the calendar, a Jew.

But we would match her mental powers, her ability to rapidly answer complex questions with both diplomacy and wit to subtle nuances of fact and attitude, with almost any man we have ever encountered. And her rank in the government of her country dispels any questions of male-female prejudice in Israel.

Then there is the story of the two hound dogs who were sleeping on a front porch, when kids turned on some rock and roll music and started dancing and screaming. One of the hounds raised his head and looked at the other. "You know, if we acted like that, they'd worm us,"—Shelby News, Shelbyville, Ky.

Spotlight on Inequities in U. S. Can Speed Achievement of Social Ideals

By JOSEPH B. LANIERMAN Chairman and Chief Executive Officer, Amsted Industries

The news media has magnified the inequities in our society on a mass basis, and this is a good thing.

Some of the fabric has been distorted in the public eye. But it is probably good that the ills have become distorted.

The struggle has been, and is, to set up a framework of institutions which translates these words from the realm of dreams to the realm of reality.

But, given the weakness of human nature . . . given the desire of individuals to prevail over others rather than to live in harmony, the struggle toward these ideals has been slow in this country and across the world.

How slow has it been in our nation? How bad are things? In this age of Aquarius, a visitor from a time machine would be awestruck by the sheer horror of daily events.

The American Dream is the dream of a better life. The American Dream is the dream of a better life. The American Dream is the dream of a better life.

How sick is our Uncle Sam? Is he suffering from a case of the pollution sniffles made worse by the equal opportunity aches?

Or is our society leaping, pale, and shaking, into the death's door, a few moments from a cataclysmic end which will sweep down upon us from a vortex of mass revolution and destruction?

I see America on three levels. "The American Dream" is the American Dream. The American Dream is the American Dream. The American Dream is the American Dream.

### SORORITY OBSERVES "BEGINNING DAY"

Mrs. Delores Dorch, president of Xi Epsilon Chi chapter of Beta Sigma Phi, entertained members of the chapter in her home, 1728 Moro avenue, this week.

The hostess conducted the affairs of the organization's traditional "Beginning Day", which marks the advent of a new club year.

A schedule of meetings to be held, cultural programs, to be presented, ways and means methods to be undertaken, and social activities to be enjoyed, as well as a number of charity projects to be supported were distributed.

These planning schedules were prepared by the joint effort of the executive board.

The hostess served punch and a dessert to Mesdames Harvey Ebling, Jack Tolliver, Lewis Rains, William Forrest, Paul Ashford, Ralph Haldeman, Philip Tsipoloff and Miss Ruth Stoyanoff.

The first regular meeting of the chapter will be held Sept. 9 in the home of Mrs. Haldeman. Mrs. Rains will present the cultural program on the topic "Ecology and Mother Earth".

## Marine Band Concerts Set at Assumption High

The U. S. Marine Corps band will present performances at 2 and 8 p.m., Sept. 20 at the Assumption high school gym.

It will be the second performance of the band, conducting an annual tour, at the school and is being sponsored by the Catholic Band Parents. The red-coated band played before capacity performances at Assumption on Nov. 7, 1966.

Tickets are \$1.50 (\$2 at the door) for adults and \$1 (\$1.50 at the door) for students for the afternoon performance, and \$2 (\$2.50 at the door) for chair seats and \$1 (\$1.50 at the door) for bleacher seats for the evening performance.

They may be obtained by contacting the school. Net proceeds, after band expenses are paid, will benefit the Assumption band.

Philip M. Atkins, Assumption band director and chairman for the program, announced that the Marine band will present musical works by the world's finest composers, stirring marches and solo performers which have brought acclaim from visiting dignitaries of almost every country in the world.

### Known to Millions

Under the directorship of Lt. Col. Albert Schoepfer, the Marine band is known to millions of Americans through its annual tours, its frequent radio and television appearances and its concert series in the nation's capital.

The annual tours originated under the direction of John Philip Sousa in 1891 and have afforded Americans living outside the Washington area an opportunity to see and hear the world-famous band.

Given the title "The President's Own" by Thomas Jefferson, the Marine band has played for every inauguration since. Created in 1798 by an act of Congress, the band has played for official functions in Washington and at all important history-making events in this country.

**Musicians Screened**  
The personnel of the band includes musicians carefully screened and selected from the nation's leading conservatories, universities, symphony orchestras and bands. To be accepted

in the band, an applicant must pass a strenuous audition on his instrument and be of such character to pass the rigid security requirements of the government.

The uniforms are distinctive as the band is the only American military organization still wearing the red coats copied from the British during the Revolutionary War.

The full dress uniform which will be worn during the concert here consists of blue trousers and a colorful scarlet coat, decorated with black braid and silver epaulettes.

### Five Steelworkers Retire at GC Steel

Five men have retired from long-time service at Granite City Steel Co. They include four Granite City residents.

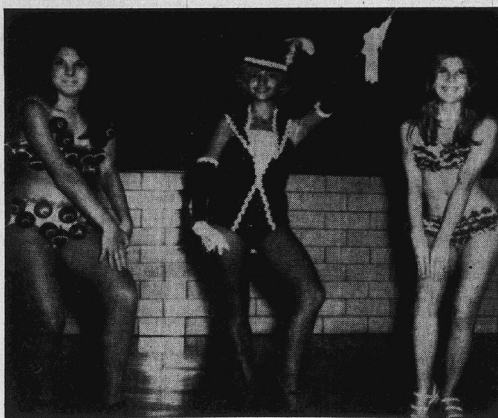

A 45-year veteran of the mill is Clyde "Cy" Rogers, 65, 2511 Washington avenue, who was a cold strip crane operator. His family includes his wife, Ethel, three sons, two daughters, 14 grandchildren and two great grandchildren. Rogers plans to spend much of his free time hunting and fishing at his club house on Parker lake in Claryville, Mo.

A veteran of 34 years at the steel plant, Steve Yanickoff, 56, retired this week with plans to do some fishing and traveling. He was a stickler "A" on the Cold Strip crane operator. He started with the company in the old tin mills as shearmen helper. He and his wife, Elizabeth, live at 1205 Iowa street, Madison.

William "Willie" Wright, 46, 3019 Denver street, retired on disability from the North plant where he was a sorter for almost 20 years. His family includes his wife, Wanda, and four sons. Retirement plans include plenty of hunting and fishing.

Retired after more than 27 years is William "Harold" Chittick, 68, a blast furnace electrician. He and his wife, Golda, live at 2412 Nameoki road, and have three sons and seven grandchildren. His son, Bob, is a steelworks millwright and another son, Bill, works in blast furnace transportation. The retiree plans to pursue his hobbies of woodworking and electrical tinkering by setting up a small shop in Greenville, Mo., in the near future.

Also retired is Bill Dietz, 37, East St. Louis. Dietz retired on disability resulting from a plant injury after 14 years with the company. He started with the company in 1956 in yard maintenance, but became a switchman in the standard gauge department where he devoted most of his career.

**FIRST GLIMPSE** of attractive costumes to be worn in the East Bank Players' production of "Gypsy," scheduled Sept. 10, 11 and 12 at the VFW Clubrooms, is provided by a trio of lovelies who have roles in the three-performance musical. From left, Pat Barnes, Anita Gasparovic and Dianne Harper.

### 4-H Members Report 26 Million U. S. Dogs

At last count there were over 26,000,000 dogs in the U. S., accounting for 40% of the pet population. In fact, the canine are so highly thought of that they have their own week: National Dog Week, Sept. 26-27.

The national 4-H dog care and training program last year enrolled 87,000 boys and girls between the ages of nine and 19.

Popular with city and suburban youths and rural youngsters as well, the program teaches them to better understand animals, and to become aware of the problems and responsibility of their care and training.

A variety of activities may be undertaken by the young dog fancier. Among them are obedience training, grooming, reading for shows, hunting, health and nutrition, and even teaching young and old dogs new tricks.

The project also develops pride of ownership and leadership among boys and girls who may not otherwise have the opportunity to own other animals.

Volunteer adult and teen leaders, veterinarians, kennel owners and professional dog handlers share their experience and know-how with the 4-H'ers. Participating in the program is its own reward. But youths

### Autos Collide

A two-car collision on Broadway at McKinley avenue in Venice at 7:51 a.m. Tuesday caused damage to the rear and left side of an auto driven by Richard E. George, 22, of 1127 Edwardsville road, Madison, and to the right front of an auto driven by William Smith, 63, of 743 Broadway, Venice. Smith was northbound on Broadway and turning left when the collision occurred.

who excel also earn honors and nationwide recognition.

This year, four gold-filled hour medals are offered in each county, a transistor radio goes to the top state winner and 18 expense-paid sectional trips to the 1970 National 4-H Congress in Chicago Nov. 29 through Dec. 3.

In addition, six \$600 scholarships will be presented at the national level. The national and sectional winners will be guests at the 4-H Congress. The Cooperative Extension Service, which supervises the program, judges the 4-H records and names the winners. The program is arranged and announced by the National 4-H Service Committee, Chicago.

## Costumes are Important Factor in 'Gypsy' Show

Advancing to the closing stages of rehearsals for their second production — "Gypsy" — members of the East Bank Players, the Quad Cities theatre group, find themselves frantically designing, sewing and searching for multiple costume changes needed in the fast-paced musical.

The East Bank Players will present "Gypsy" on Thursday, Friday and Saturday evenings, Sept. 10-12, at the VFW Clubrooms, 21st-street and Washington avenue. Tickets, priced at \$2 for adults and \$1 for students, currently are on sale at several locations, or may be purchased at the door before showtime.

Native ingenuity is necessary to meet a consistent flow of new challenges in costuming. Mrs. Hoelscher, a Players official noted this week. The number of children required for production of "Gypsy" brought with it frantic activities to find the "right type of costume" for the youngsters, she explained.

**Search for Patterns**  
Long trousers suddenly were bobbed to create "knickerbockers" for the boys, and mothers of the budding performers could be heard in the background at rehearsals discussing where "this pattern or that one" could be begged, borrowed or purchased.

Attics were invaded and patient searching proceeded in an effort complete the outfits essential for the youthful cast.

members, Mrs. Hoelscher commented. A similar frenzy was found among adult performers who have scurried about in frantic fashion to procure costumes suitable for the late 1920's era. As in the Players' premiere production — "Guys and Dolls" — Goodwill Industries has yielded many "treasures" vital to the costuming department, the director said. Creativity with needle, thread and varied materials, however, has become the prime producer of several clever and attractive creations, she pointed out.

Mrs. Hoelscher noted that one costume worn by the burlesque queen is illuminated with electric lights and has been designed as a self-contained unit without need for extension cords. Another outfit will be sported by a "blue cow," which must be seen to be appreciated, she added.

### Announces Birth

Mr. and Mrs. William Duval, 3094 Dale avenue, are announcing the arrival of their first grandchild, Christopher Lee Hampsey, at St. Joseph's Hospital, Alton. He is the son of Mr. and Mrs. Steven Hampsey of Wood River and weighed five pounds, eight ounces. The mother is the former Donna Sue Duval.

## Jerry Lewis Telethon On Channel 11 Sunday

A nationwide television network has been created specially for the Jerry Lewis Labor Day Telethon go benefit Muscular Dystrophy Associations of America. The show will be seen in the Illinois - Missouri Area through station KPLR, Channel 11.

The telethon will start locally Sunday night, Sept. 6th at 9:30 p.m. and run continuously until 6:00 p.m., Monday, Sept. 7th, Labor Day.

Until this year, Jerry Lewis' benefit telethons, presenting the "Greatest" of show business, have been limited to viewers in the eastern part of the country. This is the first time in history that any telethon has gone coast-to-coast.

Funds raised through Jerry Lewis on his Labor Day Telethon for Muscular Dystrophy are utilized in MDA's scientific research program as well as locally in the communities where the money is raised through the Association's extensive patient service program.

**SWEET ADELINES.** Harmony at its best will be offered patrons at the Tri-Cities United Fund "Fun Fair" event, set for Oct. 3 and 4, at Wilson Park rink pavilion. The Collinsville Chapter of Sweet Adelines will appear in concert from 3 to 4 p.m. Sunday, Oct. 4. Other groups will entertain at various hours during the two-day "Fun Fair."

## Top Entertainment Feature of 'Fun Fair'

Outstanding entertainment by widely-acclaimed music groups and service clubs, a and service groups to sponsor specialty booths, each furnishing games and information on their apend annual kick-off program sponsored by the Tri-Cities United Fund campaign. The event is scheduled Saturday and Sunday, Oct. 3-4, at Wilson Park rink pavilion.

Leo Kozmen and Carl Mathias, co-chairmen of this year's "Fun Fair," announced today the addition of the Collinsville Chapter of Sweet Adelines to the growing list of entertainment.

The "Fun Fair" project, successfully initiated last year, will feature performances by the Eagleaires Kitchen Band of Granite City from 7 to 8 p.m. Saturday, Oct. 3; the Aimad Temple Shrine Oriental Band from 7 to 8 p.m. Sunday, Oct. 4; and the Mississippi Valley Chorus, Collinsville Illinois Chapter, of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, from 2 to 3 p.m. Oct. 4.

Specialty Booths Featured

Plans also are nearing completion by United Fund agen-

The chorus meets each Wednesday at 8 p.m., at the Collinsville Savings and Loan Building with women of all ages who enjoy harmonizing in the four-part, barbershop-style singing invited to attend the rehearsal sessions, according to Mrs. Midge Galloway, director.

"No musical training is required to sing our style of music," Mrs. Galloway stressed. Women from all walks of life belong to our chorus, including nurses, school teachers, housewives, clerks, beauticians and secretaries, she explained.

Serving as assistant director of the Sweet Adelines is Lee Phelps, with Judy Holtzsch, Georgia Bradshaw, Audrey Cui-feri and Vi Cook as section leaders.

The Collinsville Chapter presents an annual show. This year's extensive program set for Saturday, Nov. 21, at 8 p.m. in Webster school auditorium at Collinsville is the third consecutive show.

The local area Sweet Adelines Chapter is part of an international organization, comprising 18,000 members in the United States, Canada, Canal Zone and Hawaii. Mrs. Galloway said. The Collinsville Chapter belongs to Region Three, composed of groups in Illinois, Indiana, Iowa, St. Louis and St. Charles in Missouri.

## Marshall Cub Scouts Compete in Field Day

Cub Pack 17, sponsored by the PTA at Marshall school, held its annual "field day" this week at Wilson Park.

Race officials were Bob James, Lou Rohlfing and Bob James. Five races were held, with the following results:

Wheelbarrow race — first place, Mark James and Mike Pinkus; second place, Tippy Bugg and Randy Peach; and third, Greg Stratton and John Shable.

Sack race — first, Mark James; second, Tippy Bugg; third, Randy Peach. Puddle jumping — first, Tippy Bugg; second, Randy Peach; and third, Mike Pinkus.

"Three-legged" race — first, George Yeager and Randy Peach; second, Tippy Bugg and Greg Stratton; and third, Mark James and Mike Pinkus. Running race — first, Mark James; second, Mike Pinkus; and third, Tippy Bugg.

John Shable was awarded a one-year perfect attendance pin.

Guests were Mrs. Mary Yeager and children, Karen Alice, Sue, Angela, Carla and George; Mrs. Pat Shable and sons, Keith and John; Mr. Bob James and sons, Mark and Richard; Mrs. Lucille Pinkus and son, Mike; Leon Bugg and son, Tippy; Mr. and Mrs. Bob Peach and children, Karen and Christy; Mrs. Mary Stratton and son, Greg; and Lou Rohlfing and Terry Harris.

The pack committee has made plans for a "fall round-up" to enroll new cub scouts into Pack 17.

A new committee member, Mrs. Elizabeth Rohlfing, will serve as pack public relations chairman. Mrs. Dornalee

## Elble May Appeal Tax Referendum to State

Rodger Elble, Wood River township supervisor, said this week that he will appeal to the Illinois attorney general if his proposed tax rate referendum is not called by Madison county officials.

Elble has presented petitions to the county board of supervisors seeking the vote to reduce the county's general fund tax rate from 10 to 7 1/2 cents per \$100 assessed valuation.

He said that on May 14 petitions containing signatures of 1303 persons were presented, whereas only 1000 were required, and that the county board is "concealing them" without taking action.

At a meeting of the board last month, Elble was told that the matter was under study by the finance committee.

In a letter, Elble asked Marshall H. Smith, assistant state's attorney for civil affairs, to take immediate action, and that if nothing is initiated by Sept. 9, he will refer the matter to the Illinois attorney general.

**Arrested in Madison**  
Madison police arrested Kenneth Paul Graham, 47, of East St. Louis at 11:30 a.m. Tuesday on charges of disorderly conduct and driving without a driver's license. Graham was arrested after allegedly causing a disturbance at the home of Helen Crader, 915 Madison avenue, Madison, police reported.

Peach, the new pack secretary, is also a new member of the committee.

# Mobile Homes OK'd, Other Uses Denied

The Madison County zoning board of appeals has recommended approval of two special use permits for mobile homes and denial of three other zoning change requests. Mobile homes were approved for Leo W. Stengel in an agricultural district and for Daniel W. and Dorothy A. Malar and Anna Dunham in a single family residence district, both in Chouteau township. The duration of the permits is for the lifetimes of Mr. and Mrs. Stengel and Anna Dunham. Requests recommended for denial were filed by: Glennon Vatterott to operate a landfill, sanitary landfill or camp in an M-3 heavy industrial district of Chouteau township. Herman Wenos for a variance in set back and area requirements in a B-4 wholesale business district in Nameoki township. Buel Pierce for a duplex in an R-4 single-family residence district in Nameoki township.

Mr. and Mrs. Fred Heely, who recently moved from Granite City to New Mexico, are now residing at 3107 North Garden Avenue, Roswell, and would like to hear from their friends there. Mr. Heely retired this summer after 27 years as a school teacher and administrator. Mrs. Heely also retired after completing 23 years of service as a clerk at the City Hall. Both are natives of Granite City and attended local schools. Mr. Heely also attended Illinois College, Washington University, Illinois University and St. Louis University.

He was also active in the Granite City community, having organized Granite City Local 745, Federation of Teachers, the Madison teachers federation and served as chairman of many committees pertaining to school work. He helped to organize the Co-Ordinated Youth Service and worked as a carpenter and millwright for several summers. In addition he was a member of the Tri-City Trades and Labor Council, representing them on the board of governors of the Community Chest. The Heelys have one daughter, Mrs. Janet Miller, who resides with her husband and two children in Marion, Ohio.

Sales up and foreclosures down, according to recent VA reports which state a six-year trend reduced VAs home inventory to its lowest level in nine years.

ATTITUDES OF JUVENILES toward society are discussed by (left to right) two wards of the state and Fanning, Madison youth officer, Granite City Police Sgt. Joseph Nemeth, and John R. Platt, superintendent of the Pere Marquette State Boys Camp at Grafton.

## Delinquent Attitudes Can Be Changed, Officers Are Told

Supt. John R. Platt, superintendent of the Pere Marquette State Boys Camp, said Monday evening that changes in delinquent attitudes come about through positive interaction with others.

Supt. Platt, addressing a meeting of the Metro-East Juvenile Officers Association, went on to point out that in a camp setting such as Pere Marquette, the boys through positive contacts with the camp personnel develop slowly, but surely, a new attitude toward society.

They learn to cope with their personal problems in an acceptable way, he said during his talk at the camp, located near Grafton.

The Pere Marquette State Boys Camp was host to a regular monthly meeting of the association. A tour of the facilities, followed by dinner with the boys and an address by Supt. Platt, were the highlights of the evening.

Minimum Security The camp is one of the minimal security institutions for delinquent boys operated by the Illinois Department of Corrections Juvenile Division.

The boys live in an open setting with no fences or locked cells. They work part time and go to school part time.

The entire program is designed to help the delinquent develop an acceptable attitude and value system toward the society in which he lives.

Attending the meeting from the Quad-City area were Sgt. William Fanning, Madison youth officer and president of the regional juvenile officer association, and his wife; Sgt. Joseph J. Nemeth, Granite City police department, association vice-president, and his wife; assistant Granite City police chief and Mrs. George Teller; Mick Strange, volunteer consultant to the Madison police department; Mr. and Mrs. Charles Parkinson and Mr. and Mrs. Otto

Kreher, all of the local Catholic Charities; Mr. and Mrs. Julian Smith, First Assembly of God Church, Granite City; and Mr. and Mrs. Richard Sturdivant, Granite City.
